The Food and Nutrition Service (FNS) is collecting this information to investigate (1) the dietary practices and the health and nutritional status of the participants; (2) if participants who left the study were systematically different than those who continued in the study and if these study participants left WIC in the study. This is a voluntary collection and FNS will use the information to improve WIC service delivery. The collection does not request personally identifiable information (PII) from participants.

Responses will be kept private to the extent provided by law and FNS regulations. According to the Paperwork Reduction Act of 1996, a person is not required to respond to, or furnish, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this collection is 0584-0580. The burden for completing this information collection is estimated to average 54.7593 hours (3,285.558 minutes) per response, including the time for reviewing instructions, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Policy Support, 22314. ATTN: PRA (0584-0580). Do not return the completed form to this address.
