Subject: RE: Manufacturing Interplant Transfers - FRB

I reached out to the usual characters around here to see if anyone used the interplant transfers. One person said “no” and the others haven’t replied. I gave them a deadline of noon Monday. So if you haven’t heard otherwise from me by then, it’s safe to assume we don’t use those data.

Thanks again, and sorry for the delay.

BEA does not use this data item, so we will not be affected by the removal.

Thanks,
