## Determination of Reporting Status

**8 Follow the steps below to determine whether you complete **Schedule A** and/or **B**.**

In the table below, indicate whether the U.S. Reporter had the transactions listed in the prior year, or if the U.S. Reporter expects to have transactions in the current year by marking “Yes” or “No” in column 3.

For all transaction types marked “Yes” in column 3, indicate whether those transactions exceeded \$8 million in the previous year, or if the U.S. Reporter expects those transactions to exceed \$8 million in the current year by marking “Yes” or “No” in column 4.

See additional information for Part II on page 17, and Part V on page 18, of the General Instructions for more details on reportable transactions.

**NOTE** – Exclude transfers or recaptures of reserves when determining your responses below. Such transactions are not reportable on the BE-45 survey.

**9 Did you check “Yes” for any type of transaction in Column 4?**

<sup>20010</sup> <sup>1</sup>  Yes — Report mandatory transactions on the appropriate schedule indicated in Column 5.

<sup>1</sup> <sup>2</sup>  No — Stop here and return pages 1 through 6 according to the instructions on page 1.

If question **9** is checked yes, you are required to complete separate schedules based on the U.S. Reporter’s relationship with the foreign transactor. Separate copies of each schedule are required to report transactions with (1) your foreign affiliates, (2) your foreign parent(s) and other members of the foreign parent group (FPG), and (3) unaffiliated foreign persons. For example, if the U.S. Reporter had quarterly reinsurance premiums earned on reinsurance sold to its foreign affiliates and unaffiliated foreign persons, then you are required to complete the **Schedule A** for transactions with the U.S. Reporter’s foreign affiliates, and the **Schedule A** for those transactions with unaffiliated foreign persons. If the U.S. Reporter had no transactions with one or more foreign transactor types, a schedule does not need to be completed for that foreign transactor type. See Part IV on page 17 of the General Instructions for definitions of foreign affiliates, foreign parent group, and unaffiliated foreign persons.

**NOTE** — Only report cross-border transactions between the U.S. Reporter’s consolidated U.S. enterprises and foreign persons. Do not report transactions between the U.S. Reporter’s foreign affiliates and foreign persons, or between the U.S. Reporter’s domestic operations and other U.S. persons.

## Understanding Reporting Relationships (For use on Schedules A and B)

Transactions accrued during the reporting period should be reported by the country of the foreign transactor, and by the foreign transactor's relationship to the **U.S. Reporter**. The relationship between the **U.S. Reporter** and the foreign transactor falls into one of three categories:

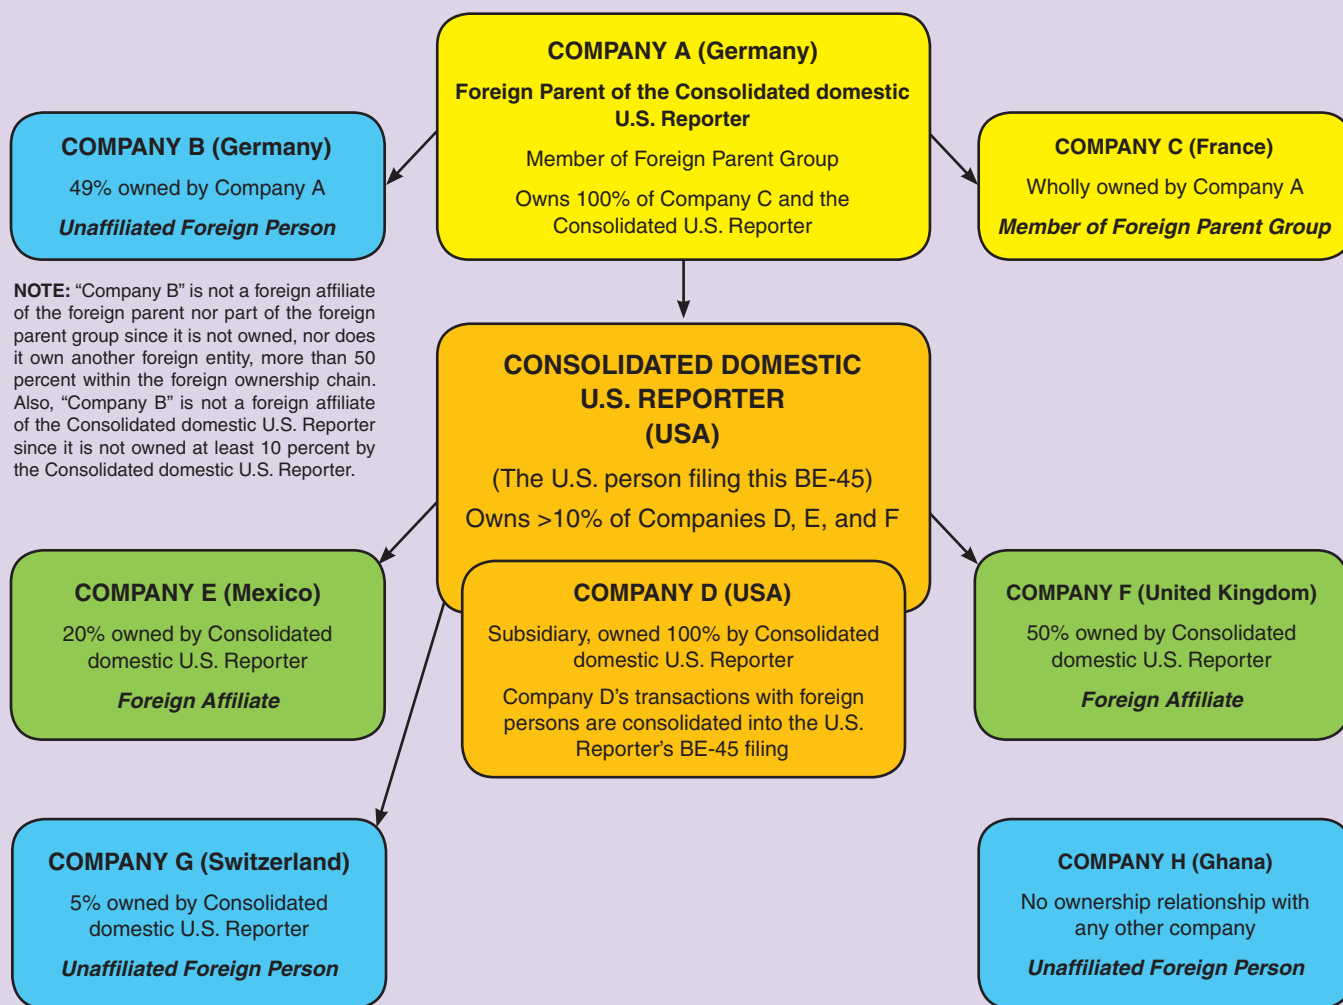

**Foreign Affiliates** – A foreign affiliate is defined as an entity domiciled in a foreign country that is owned at least 10 percent (based on voting interest), directly or indirectly, by the U.S. Reporter.

**Foreign Parents and Foreign Affiliates of Foreign Parents (aka the “foreign parent group”)** – Foreign Parents and Foreign Affiliates of Foreign Parents (aka the “foreign parent group”) means all of the following:

- (i) the foreign parent, which is the first entity outside the United States in a foreign chain of ownership, that owns at least 10 percent (based on voting interest), directly or indirectly, of the consolidated domestic U.S. business enterprise.
- (ii) any foreign entity proceeding up the foreign parent's ownership chain, that owns more than 50 percent of the entity below it up to and including the entity that is not owned more than 50 percent by another foreign entity,
- (iii) any foreign entity, proceeding down the ownership chain(s) of each of these members, that is owned more than 50 percent by the entity above it.

**Unaffiliated Foreign Persons** – An unaffiliated foreign person is an entity domiciled abroad that is not owned, or is owned less than 10 percent, directly or indirectly, by the U.S. Reporter or the U.S. Reporter's foreign parent.

The diagram below illustrates each of these relationships with regards to the U.S. Reporter. **Additional reporting instructions are provided prior to each Schedule on pages 8 and 12.**

➔ Continue to Schedules A and B as indicated, based on your response to question 8 on page 6.

## Reporting Instructions for Schedule A

### REPORTING INSTRUCTIONS

**IMPORTANT** – Do not report reserve transfers or recaptures of reserves. Only report transactions accrued during the reporting period. **ONLY** report transactions between the U.S. Reporter’s domestic operations and foreign persons. **DO NOT** report transactions between the U.S. Reporter’s foreign affiliates and foreign persons, between the U.S. Reporter’s domestic operations and other U.S. persons, or transactions between other U.S. persons and the U.S. Reporter’s foreign affiliates. Report all amounts in thousands of U.S. dollars (omitting 000). Round amounts less than \$500.00 to 0. Do not enter amounts in the shaded portions of each item.

#### How to Report:

1) Use the following **Schedule A's** on pages 9–11 to report your quarterly reinsurance transactions based on your relationship with the foreign person(s) (see page 7 for more information on reporting relationships):

Schedule	Relationship with the consolidated domestic U.S. Reporter	Page
A1	Foreign affiliates	9
A2	Foreign parent(s) and other members of the affiliated foreign group	10
A3	Unaffiliated foreign persons	11

2) Enter the country(ies) of the transactor(s) in the left most column of **Schedule A**.

3) Report the U.S. Reporter’s quarterly reinsurance transactions with the foreign transactor in the appropriate column based on the transaction type:

- Transaction code 1 (Column 3) – Quarterly premiums earned on reinsurance assumed
- Transaction code 2 (Column 4) – Quarterly premiums incurred on reinsurance ceded
- Transaction code 3 (Column 5) – Quarterly losses incurred on reinsurance assumed
- Transaction code 4 (Column 6) – Quarterly losses recovered on reinsurance ceded

#### Example:

The U.S. Reporter had a total of \$3,525,000 in quarterly premiums incurred on reinsurance ceded from its foreign parent group in Germany.

A2	Foreign parent(s) and other members of the affiliated foreign group	Page 10
----	---	---------

Per the table above, premiums incurred on reinsurance ceded from the foreign parent group are reportable on **Schedule A2**, which is on page 10.

On **Schedule A2**, enter “Germany” in column 1. Enter “3,525” under Code 2 in Column 4.

**IMPORTANT** – Report amounts in thousands of U.S. dollars (omitting 000). Round amounts less than \$500.00 to 0. Do not enter amounts in the shaded portions of each item.

### Example

Country	BEA USE ONLY		Transactions with foreign parent group								
			Reinsurance premiums		Reinsurance losses						
			Transaction code 1 Quarterly premiums earned on reinsurance assumed (3)	Transaction code 2 Quarterly premiums incurred on reinsurance ceded (4)	Transaction code 3 Quarterly losses incurred on reinsurance assumed (5)	Transaction code 4 Quarterly losses recovered on reinsurance ceded (6)					
1. Germany	001	1	2	3	000	<sup>4</sup> 3,525	000	<sup>5</sup>	000	<sup>6</sup>	000

**NOTE** – Do not report reserve transfers or recaptures of reserves.

Quarterly premiums and losses should be calculated as follows:

#### For property and casualty insurance companies

Calculate transaction codes 1 and 2 as follows: Premiums written (transaction code 1) or ceded (transaction code 2) during the quarter, plus unearned premiums at the beginning of the quarter, minus unearned premiums at the end of the quarter. Report premiums net of cancellations. Report premiums gross of commissions and profit commissions paid to or received from foreign persons, including commissions initially paid to or received from a U.S. intermediary (agent or broker) of a foreign person.

Calculate transaction codes 3 and 4 as follows: Losses paid (transaction code 3) or recovered (transaction code 4) during the quarter, plus case reserves at the end of the quarter, plus losses incurred but not reported at the end of the quarter, minus case reserves at the beginning of the quarter, minus losses incurred but not reported at the beginning of the quarter. Losses paid or recovered should not include loss adjustment expenses (reportable on **Schedule B**).

#### For life insurance companies

Premiums received (transaction code 1) and paid (transaction code 2) reflect premiums accrued on reinsurance assumed from or ceded to insurance companies resident abroad. These amounts, therefore, are adjusted for changes in due, deferred, and advanced premiums for each quarter. Report premiums gross of commissions and profit commissions paid to or received from foreign persons, including commissions initially paid to or received from a U.S. intermediary (agent or broker) of a foreign person.

Losses paid (transaction code 3) and recovered (transaction code 4) reflect policy claims on reinsurance assumed or ceded, adjusted for changes in claims due, unpaid, and in the course of settlement.

## GENERAL INSTRUCTIONS

Public reporting burden for this BE-45 report is estimated to average 9 hours per response. This burden includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to Director, Bureau of Economic Analysis (BE-1), 4600 Silver Hill Rd., Washington, DC 20233; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0066, Washington, DC 20503.

**Purpose** — Reports on this form are required to obtain reliable and up-to-date information on transactions between U.S. insurance companies and foreign persons. The data will be used in compiling the U.S. international transactions accounts and the national income and product accounts. The information will also be used to formulate U.S. policy and to analyze the impact of that policy, and the policies of foreign countries, on such international transactions.

**Authority** — This survey is being conducted under the authority of the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended – hereinafter “the Act”), and the filing of reports is mandatory under section 5(b)(2) of the Act (22 U.S.C. 3104). Regulations for the survey may be found in 15 CFR Part 801. The survey has been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act (44 U.S.C. 3501, et seq).

**Penalties** — Persons who fail to report may be subject to a civil penalty and to injunctive relief commanding such person to comply, or both. These civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4. Whoever willfully fails to report shall be fined, and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any entity who knowingly participates in such violations, upon conviction, may be punished by a like fine, imprisonment, or both. (See 22 U.S.C. 3105.) Notwithstanding the above, a U.S. person is not subject to any penalty for failure to report if a valid Office of Management and Budget (OMB) control number is not displayed on the form. The control number for Form BE-45 (0608-0066) is displayed at the top of the first page of this form.

**Confidentiality** — The Act provides that your report to this Bureau is **confidential** and may be used only for analytical and statistical purposes. Without your prior written permission, the information filed in your report **cannot** be presented in a manner that allows it to be individually identified. Your report **cannot** be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process. Per the Cybersecurity Enhancement Act of 2015, your data are protected from Cybersecurity risks through security monitoring of BEA information systems.

### I. WHO IS TO REPORT AND GENERAL COVERAGE

**A. Who must report** — A response is required from each U.S. insurance company that was notified by BEA about the survey.

#### 1. Mandatory and voluntary reporting

**(a) Mandatory reporting** — A complete BE-45 report is required from each U.S. insurance company that engaged in reinsurance transactions with foreign persons, that earned premiums from, or incurred losses to, foreign persons in the capacity of primary insurers, or that engaged in international sale or purchase transactions in services auxiliary to insurance. Filing is mandatory if, with respect to these transactions, any of the following eight items was greater than positive \$8,000,000 or less than negative \$8,000,000 for the previous calendar year or is expected to be in the current calendar year, on an accrual basis: (1) premiums earned, and (2) losses, on reinsurance assumed; (3) premiums incurred, and (4) losses, on reinsurance ceded; (5) premiums earned, and (6) losses, on primary insurance sold; (7) sales of, and (8) purchases of, auxiliary insurance services.

**2. Exemption** — A U.S. person receiving this form from BEA is not required to report data if transactions fall below the threshold described in Part I.A.1. However, it must complete and return the survey through page 6.

**B. Transactions involving a broker** — At times, insurance transactions between a U.S. person and a foreign person may be arranged by, billed through, or otherwise facilitated by, a broker, agent, or intermediary. In order to avoid duplication, the data should be reported by the insurance company assuming the risk or recovering or paying the loss. Brokers, agents, and intermediaries are generally not to report.

**C. Consolidation** — A U.S. enterprise should file a single Form BE-45 covering combined (total) insurance services transactions of all its domestic subsidiaries, and parts, that are insurance services providers.

#### 1. Consolidating unincorporated enterprises

Consolidate into your BE-45 report the transactions of unincorporated enterprises in which your company has voting control. Please see the following items on determining the voting interest in typical unincorporated enterprises.

**Partnerships** — Most partnerships are either general partnerships or limited partnerships. Consolidation of partnerships and inclusion of their insurance services transactions (purchases and sales) on the BE-45 survey is based on voting control.

##### (a) General partnerships

**Determination of voting interest** — The determination of the percentage of voting interest of a general partner is based on who controls the partnership. The percentage of voting interest is not based on the percentage of ownership in the partnership's equity. The general partners are presumed to control a general partnership. Unless a clause to the contrary is contained in the partnership agreement, a general partnership is presumed to be controlled equally by each of the general partners.

**Managing partners** — If one general partner is designated as the managing partner, responsible for the day-to-day operations of the partnership, this does not necessarily transfer control of the partnership to the managing partner. If the managing partner must obtain approval for annual operating budgets and for decisions relating to significant management issues from the other general partners, then the managing partner does not have a 100 percent voting interest in the partnership.

##### (b) Limited partnerships

**Determination of voting interest** — The determination of the percentage of voting interest in a limited partnership is based on who controls the partnership. The percentage of voting interest is not based on the percentage of ownership in the partnership's equity. In most cases, the general partner is presumed to control a limited partnership, and therefore, have a 100 percent voting interest in the limited partnership. If there is more than one general partner, the partnership is presumed to be controlled equally by each of the general partners, unless a clause to the contrary is contained in the partnership agreement. Therefore, unless a clause to the contrary is contained in the partnership agreement, limited partners are presumed to have zero voting interest in a limited partnership.

**Managing partners** — See discussion under “General Partnerships” above.

##### (c) Limited Liability Companies (LLCs)

**Determination of voting interest** — The determination of the percentage of voting interest in an LLC is based on who controls the LLC. The percentage of voting interest is not based on the percentage of ownership in the LLC's equity. LLCs are presumed to be controlled equally by each of its members (owners), unless a clause to the contrary is contained in the articles of organization or in the operating agreement.

**Managing member** — If one member is designated as the managing member responsible for the day-to-day operations of the LLC, this does not necessarily transfer control of the LLC to the managing member. If the managing member must obtain approval for annual operating budgets and for decisions relating to other significant management issues from the other members, then the managing member does not have a 100 percent voting interest in the LLC.

## GENERAL INSTRUCTIONS — Continued

### II. WHAT TO REPORT

- A. Report transactions with affiliated foreign persons as well as with unaffiliated foreign persons (see Part IV.K and L). **File separate schedules to report transactions with (1) your foreign affiliates, (2) your foreign parent(s) and other members of the foreign parent group, and (3) unaffiliated foreign persons.**
- B. Report transactions with alien insurance groups, whether or not funds remitted to and from these organizations are cleared through their American trust funds.
- C. Note that the criterion for reporting is whether the transaction is between a U.S. person and a foreign person. It is immaterial whether the assets insured are located in the United States or abroad.
- D. Report transactions with U.S. affiliates of foreign firms **for the account of their foreign parent firm.** (Report them on the form covering your transactions with unaffiliated foreign persons.)
- E. Report transactions with foreign persons made by your foreign affiliate **for your account.** (Report them on the form covering your transactions with unaffiliated foreign persons.)

### III. WHAT NOT TO REPORT

- A. **Finite insurance and finite reinsurance** — Finite insurance and reinsurance contracts transfer a limited amount of insurance risk from the policyholder to the insurer with the policyholder retaining a significant portion of that risk. Contract terms and features that can limit the transfer of insurance risk include the following: (1) Contract terms that result in the premium paid by the policyholder plus anticipated investment income earned by the insurer on that premium approximately equaling the reimbursements (including claim recoveries and any contract adjustments) expected by the policyholder from the insurer (2) Adjustable features that result in profit-and-loss sharing arrangements between the policyholder and the insurer (3) A contract coverage period that extends beyond one year and premiums for subsequent periods that may depend on the loss experience of earlier years (4) Limits on the amount of claims to be paid by the insurer (5) Loss corridors that limit or eliminate the risk of loss for a specified percentage or dollar amount of claims within the range of contract coverage (6) Favorable contract termination provisions, for example, that would result in a loss to the policyholder (7) Premiums that are a substantial percentage of the maximum coverage provided.  
  
Types of finite insurance include, but are not limited to, loss portfolio transfers, adverse development coverages, and spread loss coverages. There may be other types of finite reinsurance that are not explicitly listed but are substantially identical in function and should **not** be reported on the survey as well.
- B. Do **not** report reserve transfers or recaptures of reserves on the inception or termination of reinsurance contracts. Such amounts do not represent the provision of a service, and should be excluded from reporting on the BE-45 survey. Only include current premiums on transferred amounts.
- C. Do **not** report transactions with U.S. affiliates of foreign firms **for their own account.** Transactions with these U.S. affiliates are considered domestic-to-domestic for purposes of this survey.
- D. Do **not** report transactions with foreigners made by your foreign affiliates **for their own account.**
- E. Do **not** report premiums to, or losses from, foreign insurance companies on primary or direct insurance. Premiums on such insurance purchased from foreign insurance companies are to be reported on Form BE-120, Benchmark Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons, and Form BE-125, Quarterly Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons.

### V. SPECIFIC ITEM INSTRUCTIONS

#### Schedule A

##### How to calculate transaction codes 1–4

**NOTE** – Do not include transfers of reserves, and/or recaptures of reserves, on Schedule A. Such transactions should be excluded from reporting on the BE-45 survey. If you have reported these transactions in your data during previous quarters, please provide details about the timing and amount of the transactions in the comment box provided on page 6 of this survey. Only report current premiums on transferred amounts.

##### *For property and casualty insurance companies*

Report premiums gross of commissions and profit commissions paid to or received from foreign persons, including commissions initially paid to or received from a U.S. intermediary (agent or broker) of a foreign person.

These amounts, therefore, are adjusted for changes in due, deferred, and advanced premiums for each quarter. Report premiums gross of commissions and profit commissions paid to or received from foreign persons, including commissions initially paid to or received from a U.S. intermediary (agent or broker) of a foreign person.

Losses paid (transaction code 3) and recovered (transaction code 4) reflect policy claims on reinsurance assumed or ceded, adjusted for changes in claims due, unpaid, and in the course of settlement.
