Form 1 Community outreach worker profile form	<p>OMB Number (0906-0064) Expires: XX/XX/202X</p> <p><u>Public Burden Statement:</u> The purpose of this data collection system is to collect aggregate data on activities supported through HRSA's Community-Based Vaccine Outreach Programs (HRSA-21-136 and HRSA-21-140). HRSA will use these data to monitor the supported activities by awardees related to (1) vaccination rates and equitable access, to ensure that the most vulnerable populations and communities are reached and vaccinated throughout the period of performance. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0906-0064 and it is valid until XX/XX/202X. Public reporting burden for this collection of information is estimated to average .27 hours per response, including the time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.</p> <p><u>Instructions:</u> The information that you provide in this form is very important and helps us (HRSA) understand how job opportunities were created through government funding from our agency, and how the jobs that were created from this funding helped to get more people vaccinated for COVID-19. There are a total of 29 questions in this form, and we ask that you answer everything honestly and to the best of your ability. Thank you very much in advance for your help in providing this information!</p>
