Phase 1 Screener – Secondary and Comparative Claims

[PROGRAMMING NOTE: Consent Screen 1 to be shown before the Screener]

[Consent Screen 1]

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

[OMB Control #xxxxx Expires xxxxx]

[DISPLAY]

Thank you for your interest in this research study. The purpose of the study is to learn more about prescription drug websites. First, we need to ask you a few screening questions to see if you are eligible to participate.

If you are eligible and agree to participate, you will look at a website for a new prescription drug and then answer some survey questions about what you saw. Viewing the website and completing the survey will take approximately **20 minutes**.
