I heard you say earlier that you would prioritize:

- [list primary, secondary and tertiary barriers]

[referral type] **may be able to help with:**

- [primary barrier]

No warm hand-off now / No re-scheduling

Would you have time for us to reach out to them right now?

Yes

No

* must provide value

Warm handoff for primary referral

I understand. Would you like to schedule a different time when we can call together?

Yes

No

* must provide value

I understand. Could I give you the number of [referral type] to help you with [name barrier]:

Yes

No

* must provide value

If yes:

Let me know when you're ready for me to give you this information.

Wait until participant is ready.

The contact information is:

- [referral name]
- [referral facility]
- [referral phone number]

Are there any other concerns that you would like to talk about today?

Discuss as needed.

It's been great thinking together about ways to help you take your HIV medication. HIV medicine is lifesaving, and it can also prevent HIV transmission if taken regularly. We care about your health. We want to help with any barriers to medication you may have. We appreciate that we can work together on this.

You have a good plan here. I might check-in with you again down the road, to see how things are going.

If no:
