

OMB No. 0925-0766

Expiry Date 4/30/2023

Burden Statement: Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0766). Do not return the completed form to this address.

1. Name

* 2. Profession: (Select all that apply)

- Physician
- Dentist
- Advanced Practice Nurse / Physician Assistant
- Nursing
- Patient Care Coordinator
- Laboratory
- Nutrition
- Pharmacy
- Social Work
- Other (please specify)

3. What is your specialty? (ID, Hematology, Transplant, etc...)

4. Are you employed by Institute or the Clinical Center ?

- Institute (Contractors included)
- Clinical Center (Contractors included)

5. Years of experience working in bone marrow transplant

6. Primary Population (select all that apply)

- Pediatrics
- Adults
- Malignant Disease
- Non malignant Disease
- Other (please specify)

7. Where do you see outpatients? (select all that apply)

- Clinic
- Day Hospital
- NA
- Other (please specify)

The next section is divided by body systems and patient concerns that may be reviewed during an outpatient follow-up visit after their 100 day post-transplant visit. Please answer each section of the question with either always, usually rarely, never or N/A. There is also a comment section available to you for each body system and patient concern if you would like to add information to your response.

8. **Immune System:** chimerism, infection risk, vaccinations

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

9. **Vision:** visual changes and signs of eye GVHD

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

10. **Oral Care:** Dentition, and signs of oral GVHD

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

11. **Pulmonary:** smoking cessation, dyspnea, lung function tests, signs of lung GVHD

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

12. **Cardiovascular:** hypertension, hyperlipidemia, late effects of chemo/ radiation

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

13. **Liver:** iron overload, LFTs, signs of liver GVHD

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Would you like your patients to have additional education about this topic or receive a referral to a Clinical Center or community resource?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

14. **Kidneys & Bladder:** urgency, hypertension, AKI, late effects, medications to avoid

	Always	Usually	Rarely	Never	N/A or addressed by consultant
Do you currently address this in outpatient follow-up visits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are you comfortable addressing this topic area?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
