

Use Cases Survey

OMB # 0925-0766

Expiration Date: 04/2023

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0766). Do not return the completed form to this address. 

1. Which of the (sub) use cases align with your work and would you be interested in working on? 

2. What other use cases would you like to see added? 

3. Do you have suggestions for data sources and/or semantic (ontologies, terminologies, ...) resources that could be used to address any of the use cases?
