All instances of "site visit" throughout the document	Modified to clarify on-site or virtual visits	Update	Consistent with current technical language.	None
Section 2.1: "Prior to the start of the data validation review period, the SO must begin completion of the OAI. It is recommended that each section of the OAI be completed prior to the site visit; however, if preferred, the DV contractor may determine an alternative sequence (e.g., the DV contractor may request that an SO complete Sections 3 and 4 prior to the site visit, but complete Sections 5 and 6 following the site visit). "	Deleted and replaced with: "Review the OAI prior to the on-site or virtual visit for preliminary information about the SO's processes for collecting and reporting data. If necessary, obtain follow-up information during the on-site or virtual visit."	Update	Consistent with current technical language.	None
Section 2.2 Instructions for Data Validation Contractor	Section 2.2 Instructions for Organization	Update	Consistent with current technical language.	None
Section 4.3.3: "If your organization received an outlier/data integrity notification for any of the reporting sections that are currently undergoing data validation review (as identified in Table 5 for the contract(s) included in this OAI), were they applied to ensure accurate data was reported into HPMS? Notices can be found in the Download Files page of the Monitoring Parts C and D Reporting Website."	Deleted and replaced with: "If your organization received an outlier/data integrity notification for any of the reporting sections that are currently undergoing data validation review (as identified in Table 5 for the contract(s) included in this OAI), were those notifications used to accurately report the data into HPMS?"
