**CHILD ROSTER FORM FROM EARLY HEAD START STAFF**

**NOTE:** For each selected classroom or home visitor caseload, a Baby FACES study team member will request the names and dates of birth and enrollment of each child or family enrolled in the selected classroom or HV caseload from Early Head Start (EHS) staff (typically the On-Site Coordinator). The attached child roster form is an example of the information required for sampling children and families. EHS staff may provide this information in various formats such as print outs from an administrative record system or photocopies of hard copy lists or records. Therefore, EHS staff will not physically fill out the attached child roster form.
