As part of our continuing effort to

the BLM assess impacts of its

minimize the public's reporting burden.  
It also helps the public understand BLM  
information collection requirements and  
provide the requested data in the  
desired format.

The BLM is especially interested in  
public comment addressing the  
following:

(1) Whether collection of information  
is necessary for the proper performance  
of the functions of the agency, including  
whether or not the information will  
have practical utility;

(2) determination of the accuracy of  
BLM's estimate of the burden for  
collection of information, including the  
validity of the methodology and  
assumptions used;

(3) methods to enhance the quality,  
utility, and clarity of the information to  
be collected; and

(4) how might the agency minimize  
the burden of information collection on  
those who respond, including use of  
appropriate automated, electronic,  
mechanical, or other technological  
collection techniques or other forms of  
information technology, *e.g.*, permitting  
electronic submission of response.

Comments submitted in response to  
this notice are a matter of public record.  
The BLM will include or summarize  
each comment in its request to OMB to  
approve this ICR. Before including your  
address, phone number, email address,  
or other personal identifying  
information in your comment, you  
should be aware that your entire  
comment—including your personal  
identifying information—may be made

you can ask us in your comment to  
withhold your personal identifying  
information from public review, we  
cannot guarantee that we will be able to  
do so.
