Agency Information Collection Activities; Native Youth Community Adaptation and Leadership Congress

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the U.S. Fish and Wildlife Service (Service), are proposing to revise a currently approved information collection.

DATES: Interested persons are invited to submit comments on or before September 17, 2021.

ADDRESSES: Send your comments on the information collection request by mail to the Service Information Collection Clearance Officer, U.S. Fish and Wildlife Service, MS: JAO/1N (PERMA-PRB), 5275 Leesburg Pike, Falls Church, VA 22041-3803 (mail); or by email to Info_Coll@fws.gov. Please reference OMB Control Number 1018-0176 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Madonna L. Baucum, Service Information Collection Clearance Officer, by email at Info_Coll@fws.gov, or by telephone at (703) 358-2503.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act (PRA, 44 U.S.C. 3501 *et seq.*) and its implementing regulations at 5 CFR 1320, all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing

collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The Service offers eligible Native American, Alaskan Native, and Pacific Islander high school students the opportunity to apply for the Native Youth Community Adaptation and Leadership Congress (Congress). The mission of the Congress is to develop future conservation leaders with the skills, knowledge, and tools to address environmental change and conservation challenges to better serve their schools and home communities. The Congress supports and operates under the following authorities:

- Executive Order (E.O.) 13175, “Consultation and Coordination With Indian Tribal Governments” (November 6, 2000);
- E.O. 13515, “Increasing Participation of Asian Americans and

Pacific Islanders in Federal Programs” (October 14, 2009);

- E.O. 13592, “Improving American Indian and Alaska Native Educational Opportunities and Strengthening Tribal Colleges and Universities” (December 2, 2011);

- Public Law 116–9, Section 9003, “John D. Dingell, Jr. Conservation, Management, and Recreation Act” (March 12, 2019);

- 16 U.S.C. 1727b, Indian Youth Service Corps;

- White House Memorandum on Government-to-Government Relationships with Tribal Governments (September 23, 2004);

- Secretarial Order (S.O.) 3206, “American Indian Tribal Rights, Federal-Tribal Trust Responsibilities, and the Endangered Species Act,” issued jointly by the Department of the Interior and the Department of Commerce (June 5, 1997);

- S.O. 3317, “DOI Policy: Department of the Interior Policy on Consultation with Indian Tribes” (December 1, 2011);

- S.O. 3335, “Reaffirmation of the Federal Trust Responsibility to Federally Recognized Indian Tribes and Individual Indian Beneficiaries” (August 20, 2014); and

- The Service’s Native American Policy (510 FW 1), published January 20, 2016.

The following Federal partners assist and support the Service’s administration of the Congress:

- The U.S. Department of the Interior—
 - Bureau of Indian Affairs;
 - Bureau of Land Management;
 - National Park Service; and
 - United States Geological Survey;
- The U.S. Department of Agriculture—U.S. Forest Service;
- The U.S. Department of Commerce—National Oceanic and Atmospheric Administration;
- The Federal Emergency Management Agency; and
- The National Aeronautics and Space Administration.

The weeklong environmental conference fosters an inclusive, meaningful, and educational opportunity for aspiring Native youth leaders interested in addressing environmental issues facing Native American, Alaskan Native, and Pacific Islander communities. Eligible students—representing a diverse mix of Native communities from various geographic locations, both urban and rural—compete for the opportunity to represent their Native communities from across the country. The students learn about environmental change and conservation while strengthening their

leadership skills for addressing conservation issues within their own Native communities.

Through a cooperative agreement with the New Mexico Wildlife Federation (NMWF), the Service solicits and evaluates applications from eligible students interested in applying for the program. The NMWF notifies successful applicants and arranges all travel for them. Information collected from each applicant via an online application administered by the NMWF includes:

- Applicant’s full name, contact information, date of birth, and Tribal/community affiliation;
- Emergency contact information for applicant;
- Name and contact information of applicant’s mentor;
- Applicant’s school name and address;
- Applicant’s current grade in school;
- Applicant’s participation in extracurricular activities, school clubs, or community organizations;
- Applicant’s volunteer experience; and
- Applicant’s accomplishments or awards received.

Successful applicants also complete Form 3–2525, “Native Youth Community Adaptation and Leadership Congress Student Medical Information,” which collects the following information:

- Student’s full name and preferred name;
- Date of birth;
- Age;
- Health insurance policy information;
- Medication information, to include dose and frequency;
- Drug and/or food sensitivities/allergies;
- Medications and immunizations; and
- Pre-existing condition(s).

Each applicant also provides essay responses to questions concerning topics such as environmental issues affecting their home/Tribal community, how or whether the environmental issues are addressed, and/or how, as a Native youth leader, they can lead the community in adapting to a changing environment. Successful applicants must also provide basic medical information to assure their health and safety while on site at the National Conservation Training Center for the Congress. The on-site nurse keeps this information strictly confidential, for use only in an emergency.

Proposed Revisions Requiring OMB Approval

The following forms used with the Congress require OMB approval:

- Form 3–2546, “Enrollment Form,” which collects the following information:
 - Applicant’s full name, address, and contact information;
 - Parent/guardian name and contact information;
 - Student’s age, date of birth, and sex;
 - Student’s high school year;
 - Student’s high school name, address, and contact information; and
 - Chaperone name.
- Form 3–2547, “Parental Consent Form,” which collects the following information:
 - Name of student and date of birth;
 - Student address, school, grade, and contact information; and

- Student’s physician name, address, and contact information.
 - Form 3–2548, “Student Conduct Agreement,” which collects the following information:
 - Student’s full name and preferred name;
 - Student signature and signature date; and
 - Parent/guardian name, signature, and signature date.
 - Form 3–2549, “Mentor Waiver,” which collects the following information:
 - Mentor name;
 - Mentor signature and signature date;
 - Emergency contact name and contact number.

Agency Notice of Webinar; Announcement of U.S. Geological Survey (USGS), National Geospatial Program 3D Elevation Program FY21 Informational Training Webinar in Preparation for the Upcoming Release of the USGS Broad Agency Announcement for 3D Elevation Program

AGENCY: U.S. Geological Survey, Department of the Interior.

ACTION: Notice.

SUMMARY: The U.S. Geological Survey is proposing a program-sponsored informational training webinar to provide scripted training to prospective applicants. This 3D Elevation Program (3DEP) training has been developed to encourage applications from federal agencies, states, tribes, private industry and communities across the nation to support the acquisition of high-quality elevation data and a wide range of other three-dimensional representations of the Nation’s natural and constructed features.

DATES: The USGS Broad Agency Announcement (BAA) for 3DEP FY21 Informational Training Webinar will be held on August 11, 2021 1:00–2:30 p.m. ET.

ADDRESSES: Informational training webinar information is available at <https://usgs.gov/3DEP/BAA>.

FOR FURTHER INFORMATION CONTACT: For further information about this webinar contact Diana Thunen by email at gs_baa@usgs.gov, or by telephone at (303) 202–4279.

SUPPLEMENTARY INFORMATION: The goal of the 3DEP is to complete acquisition of nationwide lidar (IfSAR in AK) by 2023 to provide the first ever national baseline of consistent high-resolution elevation data—both bare earth and 3D point clouds—in a timeframe of less than a decade. The 3DEP initiative is

based on the results of the National Enhanced Elevation Assessment (NEEA), which indicated an optimal benefit to cost ratio for Quality Level 2 (QL2) data collected over 8-years to complete national coverage. The implementation model for 3DEP is based on multi-agency partnership funding for data acquisition, with the USGS acting in a lead program management role to facilitate planning and acquisition for the broader community through the use of government contracts and partnership agreements. The annual BAA is a competitive solicitation issued to facilitate the collection of lidar and derived elevation data for the 3DEP. It has been included in the annual Catalog of Domestic Federal Assistance under USGS 15.8 17. Federal agencies, state and local governments, tribes, academic institutions, and the private sector are eligible to submit BAA proposals. The 3DEP informational training webinar will introduce this opportunity to the wide array of prospective applicants and provide a summary of the BAA application procedures. Advanced Registration is required to attend the webinar. Webinar materials will be posted to usgs.gov/3DEP/BAA after the event.
