Subpart H—Records

§ 478.121 General.

(a) The records pertaining to firearms transactions prescribed by this part shall be retained on the licensed premises in the manner prescribed by this subpart and for the length of time prescribed by § 478.129. The records pertaining to ammunition prescribed by this part shall be retained on the licensed premises in the manner prescribed by § 478.125.

(b) ATF officers may, for the purposes and under the conditions prescribed in § 478.23, enter the premises of any licensed importer, licensed manufacturer, licensed dealer, or licensed collector for the purpose of examining or inspecting any record or document required by or obtained under this part. Section 923(g) of the Act requires licensed importers, licensed manufacturers, licensed dealers, and licensed collectors to make such records available for such examination or inspection during business hours or, in the case of licensed collectors, hours of operation, as provided in § 478.23.

(c) Each licensed importer, licensed manufacturer, licensed dealer, and licensed collector shall maintain such records of importation, production, shipment, receipt, sale, or other disposition, whether temporary or permanent, of firearms and such records of the disposition of ammunition as the regulations contained in this part prescribe. Section 922(m) of the Act makes it unlawful for any licensed importer, licensed manufacturer, licensed dealer, or licensed collector knowingly to make any false entry in, to fail to make appropriate entry in, or to fail to properly maintain any such record.

§ 478.122 Records maintained by importers.

(a) Each licensed importer shall, within 15 days of the date of importation or other acquisition, record the type, model, caliber or gauge, manufacturer, country of manufacture, and the serial number of each firearm imported or otherwise acquired, and the date such importation or other acquisition was made.

(b) A record of firearms disposed of by a licensed importer to another licensee and a separate record of armor piercing ammunition dispositions to governmental entities, for exportation, or for testing or experimentation authorized under the provisions of § 478.149 shall be maintained by the licensed importer on the licensed premises. For firearms, the record shall show the quantity, type, manufacturer, country of manufacture, caliber or gauge, model, serial number of the firearms so transferred, the name and license number of the licensee to whom the firearms were transferred, and the date of the transaction. For armor piercing ammunition, the record shall show the date of the transaction, manufacturer, caliber or gauge, quantity of projectiles, and the name and address of the purchaser. The information required by this paragraph shall be entered in the proper record book not later than the seventh day following the date of the transaction, and such information shall be recorded under the following formats:

IMPORTER'S FIREARMS DISPOSITION RECORD

Quantity	Type	Manufacturer	Country of manufacture	Caliber or gauge	Model	Serial No.	Name and license No. of licensee to whom transferred	Date of the transaction
----------	------	--------------	------------------------	------------------	-------	------------	--	-------------------------

IMPORTER'S ARMOR PIERCING AMMUNITION DISPOSITION RECORD

Date	Manufacturer	Caliber or gauge	Quantity of projectiles	Purchaser—Name and address
------	--------------	------------------	-------------------------	----------------------------

(c) Notwithstanding the provisions of paragraph (b) of this section, the Director of Industry Operations may authorize alternate records to be maintained by a licensed importer to record the disposal of firearms and armor piercing ammunition when it is shown by the licensed importer that such alternate records will accurately and readily disclose the information required by paragraph (b) of this section. A licensed importer who proposes to use alternate records shall submit a letter application, in duplicate, to the Director of Industry Operations and shall describe the proposed alternate records and the need therefor. Such alternate records shall not be employed by the licensed importer until approval in such regard is received from the Director of Industry Operations.

(d) Each licensed importer shall maintain separate records of the sales or other dispositions made of firearms to nonlicensees. Such records shall be maintained in the form and manner as prescribed by §§ 478.124 and 478.125 in regard to firearms transaction records and records of acquisition and disposition of firearms.

[T.D. ATF-270, 53 FR 10501, Mar. 31, 1988, as amended by ATF-11F, 73 FR 57241, Oct. 2, 2008]

§ 478.123 Records maintained by manufacturers.

(a) Each licensed manufacturer shall record the type, model, caliber or gauge, and serial number of each complete firearm manufactured or otherwise acquired, and the date such manufacture or other acquisition was made. The information required by this paragraph shall be recorded not later than the seventh day following the date

such manufacture or other acquisition was made.

(b) A record of firearms disposed of by a manufacturer to another licensee and a separate record of armor piercing ammunition dispositions to governmental entities, for exportation, or for testing or experimentation authorized under the provision of § 478.149 shall be maintained by the licensed manufacturer on the licensed premises. For firearms, the record shall show the quantity, type, model, manufacturer, caliber, size or gauge, serial number of the firearms so transferred, the name and license number of the licensee to whom the firearms were transferred, and the date of the transaction. For armor piercing ammunition, the record shall show the manufacturer, caliber or gauge, quantity, the name and address of the transferee to whom the armor piercing ammunition was transferred, and the date of the transaction. The information required by this paragraph shall be entered in the proper record book not later than the seventh day following the date of the transaction, and such information shall be recorded under the format prescribed by § 478.122, except that the name of the manufacturer of a firearm or armor piercing ammunition need not be recorded if the firearm or armor piercing ammunition is of the manufacturer's own manufacture.

(c) Notwithstanding the provisions of paragraph (b) of this section, the Director of Industry Operations may authorize alternate records to be maintained by a licensed manufacturer to record the disposal of firearms and armor piercing ammunition when it is shown by the licensed manufacturer that such alternate records will accurately and readily disclose the information required by paragraph (b) of this section. A licensed manufacturer who proposes to use alternate records shall submit a
