1. Provide contact information only

Dear Employer,

Next month, you will receive a request to complete the Occupational Employment and Wage Statistics Report, which is the primary source of occupational employment and wage statistics in the U.S. OEWS data are used to calculate employment and wage estimates annually for over 800 occupations. These estimates are available for the nation as a whole, for individual states, and for metropolitan and nonmetropolitan areas, as well as for specific industries. Data are collected by the State Workforce Agencies in cooperation with the Bureau of Labor Statistics, U.S. Department of Labor.

We would like to identify a contact person who will report information for the Occupational Employment and Wage Statistics Report next month.

For assistance, please [contact your state agency](#) or email oews.helpdesk@bls.gov.

Visit our [OEWS respondent page](#) for more information on reporting.

Click "Continue" to provide the name and contact information of the person who should receive the OEWS data request.

[Continue](#)

We estimate that the time required to complete this report will vary from 10 minutes to 2 hours, depending on factors such as the size of the establishment. This includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing this information. If you have any comments regarding these estimates or any other aspects of this report, including suggestions for reducing this burden, send them to the U.S. Bureau of Labor Statistics, Division of Occupational Employment and Wage Statistics (1220-0042), 2 Massachusetts Ave NE, Suite 2135, Washington, DC 20212. This report is authorized by law 29 U.S.C. §2. We request your cooperation to make the results of this report comprehensive, accurate, and timely. You do not have to complete this questionnaire if it does not display a currently valid OMB control number. Form Approved, O.M.B. No. 1220-0042.

The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act (44 USC Section 3572) and other applicable Federal laws, your responses will not be disclosed in identifiable form without your informed consent except in the case of state and local governments. The BLS publishes statistical tabulations from this report that may reveal the information reported by state and local governments. Upon request, however, the BLS will hold the information provided by state and local governments on this report in confidence. Per the Federal Cybersecurity Enhancement Act of 2015, Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

2. Submit data

Dear Employer,

Welcome to the Occupational Employment and Wage Statistics (OEWS) data collection website. OEWS is a cooperative effort between the U.S. Department of Labor, Bureau of Labor Statistics, and State Workforce Agencies. For assistance, please [contact your state agency](#) or email ows.helpdesk@bls.gov.

Before you get started

To save time and prevent the system from logging you out, we recommend you prepare your data now. Please see our instructions, including file examples, on our [respondent page](#). We also have an [Excel template](#) available.

Companies with twenty or more employees find it easiest to upload a file, while companies with fewer employees prefer to enter their data manually. You will be directed to either upload a file or enter your data into an online form depending on the number of employees you report, but you may switch to the other method if you prefer.

Information about Occupational Employment and Wage Statistics

The Occupational Employment and Wage Statistics (OEWS) program produces employment and wage estimates annually for nearly 800 occupations. These estimates are available for the nation as a whole, for individual states, and for metropolitan and nonmetropolitan areas; national occupational estimates for specific industries are also available. Visit the [Occupational Employment and Wage Statistics](#) website to learn more about OEWS and see all of the data available.

Thank you for your participation in the Occupational Employment and Wage Statistics program!

Reporting Instructions

1. Report each employee that worked for the location specified after "Report for" in the mailing address for the pay period that included November 12, 2020. Include employees who work remotely or off-site. Do **not** include contract workers. A full list of employees to include or exclude is available on our [respondent page](#).
2. Report each employee's job title and duties.
 - Separate occupations performed by different employees, even if paid the same wage. For example, separate administrative assistants from receptionists, and electricians from carpenters.
 - Report an employee who works in two or more occupations in the job that requires the highest skill level. If there is no measurable difference in skill, report the employee in the occupation in which they spend the most time.
3. For full-time workers, report an hourly wage rate or annual salary. For part-time workers, report an hourly wage rate only. Please **include** tips and commissions.
 - If two or more employees work in the same job with the exact same wage rate, enter the number of employees with that job and wage rate in the "# of employees" column.
 - Do **not** report an average wage for all employees in a particular job or department.

Example: if you employ four security guards earning \$13.70 per hour, one security guard earning \$14.10 per hour, and one security guard earning \$15.41, plus a security guard supervisor earning \$44,628 per year, you would report them on four different lines as shown in the table below.

| Job title | Description of duties | Hourly wage rate (part-time or full-time employees) | Annual salary (full-time employees only) | # of employees in this job with this exact wage | Department |
|---------------------------|---------------------------|--|---|---|------------|
| Security guard | Monitor premises | \$13.70 | \$ 0.00 | 4 | Security |
| Security guard | Monitor premises | \$14.10 | \$ 0.00 | 1 | Security |
| Security guard | Monitor premises | \$15.41 | \$ 0.00 | 1 | Security |
| Security guard supervisor | Supervise security guards | \$ 0.00 | \$44,628.00 | 1 | Security |

Data Entry Instructions

Our spreadsheet offers a number of features to make submitting data easier, but there are differences from other spreadsheet programs you may be familiar with. See [more instructions](#) for additional directions on using our spreadsheet.

- **Copy** data from your own document, then use the keyboard command Ctrl+V to **paste** into our spreadsheet. Right-clicking will not work.
- **Rearrange columns** by clicking once in the column header then drag and drop the column in a different location (for example, move the columns to match the order of columns in your own document, then copy and paste multiple rows of data into our spreadsheet).
- The **Clear Data** button at the bottom of the spreadsheet will delete all data from the spreadsheet.
- The **Add Rows** button at the bottom of the spreadsheet will add five rows every time it is clicked (maximum of 70 rows allowed).

Note: Do not use your browser's **Back** button. This will cause you to lose all of your data.

Upload a File

Uploading a file listing the occupation and wage rate for each of your employees is the easiest way to submit your data. Many payroll and personnel systems will generate a report with all of the information we are requesting.

Alternately, you can create a spreadsheet. Do not include employee names or social security numbers.

Here is an example of the type of information we are requesting:

| | A | B | C | D | E |
|----|-----------------------|--------------------|----------------------|-----------------------|-------------------|
| 1 | Job title | Hourly wage | Annual salary | # of employees | Department |
| 2 | Forklift operator | \$16.00 | | 2 | Warehouse |
| 3 | Forklift operator | \$12.98 | | 4 | Warehouse |
| 4 | Truck loader/unloader | \$15.03 | | 5 | Warehouse |
| 5 | Truck driver | | \$45,000 | 5 | Warehouse |
| 6 | Webmaster | \$23.24 | | 1 | IT |
| 7 | Computer user support | \$18.87 | | 2 | IT |
| 8 | General manager | | \$80,000 | 1 | Office |
| 9 | Logistics manager | | \$68,140 | 1 | Office |
| 10 | Bookkeeper | \$17.22 | | 1 | Office |
