### Instructions for Completing the EN-20

The EN-20 collects financial information needed to pay compensation to an individual eligible for benefits under the Energy Employees Occupational Illness Compensation Program Act. This form is not to be completed or submitted if the named payee is deceased. Any change in the payee's status must be reported to the district office immediately. The beneficiary, his or her parent/legal guardian, or the person with the power of attorney to act for the beneficiary, must complete the form in permanent ink. Complete the form entirely. There can be no cross outs, trace-over marks, or other marks. Any omission or alteration of the form, including the use of white out or correction tape, will result in the form being rendered unusable for purposes of issuing payment; this will cause a delay in processing your payment or another EN-20 may have to be completed.

#### Authorized Payment

The amount of compensation to be paid is listed in this section. The signature of the Final Adjudication Branch (FAB) representative authorizing payment must be present.

#### Electronic Funds Transfer

EFT payments are more secure and expeditious than a paper check. However, you must provide certain information that will allow the payment to the account of your choice. List the name, telephone number and address for the financial institution processing the deposit. In the account information section, list the name of all the account holders. The nine digit routing number and the account number should be printed legibly in the appropriate sections. Do not use a deposit slip for purposes of reporting a routing or account number; they do not necessarily contain valid routing numbers. You can obtain the routing number and checking account number off one of your personal checks. Below is an example of where to find these numbers. However, to ensure the numbers are correct and to minimize any potential delays in paying your award, you should confirm all information reported in the EFT section with your bank or financial institution **before** submission.
