Request Details

Below is a list of eligible **project categories** for which you may apply for under the Fire Prevention and Safety Activity, as well as a list of projects currently included within your application.

To begin, select the appropriate **project category** and click the *Add Fire Prevention and Safety* button. This will take you to the project capabilities screen in which you will answer questions about your organization's current capabilities. Once you have answered these questions, please click *Save and Continue*, at which point you will then be able to enter your proposed project.

Once you have outlined the project you will then be able to add the budget items that correspond to the project. To add another project under the same project category, you will click the "Add Additional Project" button.

If you wish to add another project under another project category, you will need to follow the above steps for each new project you wish to create.

As a reminder, you can only apply for 3 projects under this activity. You may update or delete a project by clicking the appropriate link under the Action column.

Once you are done, press the *Return to Summary* button below.

Note: Fields marked with an * is required.

* 1. Select one of the choices listed below. You can apply for a maximum of 3 projects within this activity.

*8. The narrative portion of the application should contain supporting information that allows for evaluation of this project. If you are applying for a grant in the Fire Prevention and Safety Activity, your Narrative Statement must address the evaluation elements as outlined in the FY2015 Notice of Funding Opportunity.

Keep in mind that the evaluation of your application will also be based on a clear understanding of your proposal, your ability to meet the objectives of the program, and your probability of successfully delivering your project to the population targeted. You need to fully explain how the funds will be used to accomplish the goals of your project. To that end, be sure to include descriptions/justification for all budgeted items - items not justified may be disallowed.

Your narrative is broken out into 5 separate sections which are required, with an optional Additional Comments section. Each section will address each of the criteria upon which your application will be evaluated and scored. Due to the built in "time-out" feature, we recommend you create the narrative text in your word processing system and then copy it into the spaces provided below. Images, attachments, and special characters of formatting (i.e.: quote marks, bold print, bullet points, symbols, etc.) are not allowed.

*8a. Vulnerability Statement: What is the vulnerability in your community that you have identified? What statistics correspond with and support your project and target audience? Please describe the steps which were taken to determine the vulnerability and target audience and describe the methodology for determining all of the above.

5000 characters left

*8b. Implementation Plan: Provide details on the implementation plan which discusses the proposed project's goals and objectives. What are the methods and specific steps that will be used to achieve the goals and objectives? If applicable, what examples can you provide of marketing efforts to promote the project? Who will deliver the project and what partnerships may be involved along with how they will support this project? How will the materials or deliverables be distributed?

5000 characters left

*8c. Evaluation Plan: How will the proposed project be evaluated for its impact on the target audience? Describe how you will measure risk at the outset of the project in comparison to how much the risk decreased after the project is finished.

Application period ends in	352 days	7 hrs.	32 mins.	20 secs.

*6. The narrative portion of the application should contain supporting information that allows for evaluation of this project. If you are applying for a grant in the Fire Prevention and Safety Activity, your Narrative Statement must address the evaluation elements as outlined in the FY2015 Notice of Funding Opportunity.

Keep in mind that the evaluation of your application will also be based on a clear understanding of your proposal, your ability to meet the objectives of the program, and your probability of successfully delivering your project to the population targeted. You need to fully explain how the funds will be used to accomplish the goals of your project. To that end, be sure to include descriptions/justification for all budgeted items - items not justified may be disallowed.
