Question	
<p>(1) How many operational volunteer firefighters have joined your department, during this reporting period? (Note: Your answer should reflect the cumulative total of NEW operational firefighters that have joined your department during this reporting period. If you have new recruits who are not yet qualified to participate in firefighting activities but are in training, those individuals may be counted in this number).</p> <p>Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.</p>	

Question	
<p>(2) How many operational volunteer firefighters have joined your department, as a result of this SAFER grant, since the date of award? (Note: Your answer should be a net number for your department. If a previously reported member is no longer volunteering as an operational firefighter, they should not be included in this number. This question measures the net increase in NEW operational volunteer (all but fully paid) firefighters that have joined the departmentsince the grant was awarded).</p> <p>Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.</p>	

Question	
<p>(3) Fire Departments Only: What is the total active operational staffing level (SAFER and non-SAFER members) as of the end of the quarter covered in this report?</p> <p>Regional fire department grants should answer this question based on all fire departments participating in this grant award.</p>	

Question	
<p>(4) Fire Departments Only: If any volunteer firefighters SAFER and non-SAFER have left the department since your last report please provide the number that left and their reasons for leaving the department.</p> <p>Regional fire department grants should answer this question based on all fire departments participating in this grant award.</p>
