EMS Department Call Volume

Application 54% complete

Please provide the total number of incidents that your department responded to for each of the three year period (Jan - Dec). Include only those alarms which your department was a primary responder and not second due on giving Mutual Aid. Note: Each incident must be counted only once regardless of the number of units that responded to that incident. (e.g. A vehicle fire with entrapment and injuries may be counted as a vehicle fire or a rescue call or an EMS call, but not all three.)

Activity Selection

Please use this section to select the program for which you want to apply and provide some additional information requested. If you intend to request funds for an activity, you must answer all of the activity specific questions and specify at least one budget item. The cost figures you provide do not have to be firm quotes from your vendors, but they should be estimated based on research of current prices (i.e., check with at least two vendors for your estimates) before you submit your estimates, you do not have these estimates, you can come back and modify this area at any point before you submit your application to DHS. Only whole dollar amounts should be provided (no cents please). The Assistance to Firefighters Grant Program does not allow for any grant funds to be used for construction.

*1. Select a program for which you are applying. Regional applications are not eligible for modification of facilities or wellness and fitness programs. You can apply for as many activities within a program as you need.
