Explanation		

## Question

(5) Did the department/organization meet the recruitment and/or retention goals during this reporting period? If no, please provide details on which goals were not met, why they were not met, and what changes that will be made to reach the grant goals. Yes No

Explanation

## Question

(6) Please describe the impact this grant is having on the department/organization's implementation plan to address the problems/issues identified in the grant application narrative. The report must provide specific information on the progress towards grant completion to include milestones achieved, procurements status, timeline for bid specifications and anticipated delivery dates by discussing the following points:

• Which grant awarded/approved items/activities have been put into place to date to help you reach your goals?

- Which grant items/activities are working, and in what way? Are there grant items/activities that are not working?
- Has there been any deviation, or are there plans to deviate, from the procurement strategy for items/activities outlined in your original application?

• What goals do you plan to accomplish in the next six months?

Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.

Explanation

(7) How are the SAFER-recruited volunteer firefighter(s) being utilized in the fire department and community?

Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.

Explanation

Question

## Question

community?
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.
Explanation
Question
9) How have your department's response capabilities changed since the award of the SAFER grant? If applicable provide examples of
mprovements the department is making in meeting NFPA 1710 or 1720 compliance. (Note: Compare your response times before the SAFER grant
and as indicated in the Impact on Daily Operations portion of your application narrative] to your average response times now. How does this
compare to your goals for the SAFER grant?)
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this
grant award.
Explanation
Question
10) How has the average number of volunteer firefighters that respond to emergencies improved as a result of this SAFER grant? (Note: Compare
he number of volunteers that responded to emergencies prior to the SAFER grant to the number that assemble now. How does this compare to
your goals for the SAFER grant?)
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.
Explanation

(8) What benefits are the new volunteer firefighters and/or retention of current volunteer firefighters providing for the fire department and

Question
(11) Interest Organizations Only: How is the organization evaluating or how do you plan to evaluate the effectiveness of your recruitment and/or
retention efforts, and how you are progressing in meeting those expectations.
Explanation
Question (40) Department of the second of th
(12) Does the department/organization need additional technical assistance from FEMA or foresee any obstacles in executing the grant within the period of performance? If yes, please provide details on the technical assistance needs and explain any obstacles being encountered. Examples
obstacles include, but are not limited to:
Procurement delays
Delays in delivery of items/equipment from vendor(s)
Unable to find eligibility determination of certain items or equipment
Lower than expected response to grant awarded activities
Inability to hire awarded positions (SAFER awards). Yes No
Explanation
Question
(13) Are there other comments regarding your grant you would like us to know?
Yes No
