**Paperwork Burden Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-xxxx. Public reporting burden for this collection of information is estimated to average 2 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefit under Section 4631(a)(1)(B) of the ESEA. If you have any comments concerning the accuracy of the time estimate, suggestions for improving this individual collection, or if you have comments or concerns regarding the status of your individual form, application or survey, please contact Amy Banks, Office of Elementary and Secondary Education, U.S. Department of Education, 400 Maryland Avenue, S.W., Room 3E257, Washington, D.C., 20202 or email [ProjectSAFE@ed.gov](mailto:ProjectSAFE@ed.gov) directly.

## **PROGRAM INFORMATION**

### **Purpose**

The Project to Support America's Families and Educators (Project SAFE) grant program is intended to improve students' safety and well-being by providing funding to local educational agencies (LEAs) that adopt and implement strategies to prevent the spread of the Novel Coronavirus Disease 2019 (COVID-19) consistent with guidance from the Centers for Disease Control and Prevention (CDC), and that are financially penalized for doing so by their State educational agency (SEA) or other State entity. Project SAFE is funded under the School Safety National Activities authority in Section 4631(a)(1)(B) of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 7281).

### **Eligibility**

Eligible applicants: LEAs

An LEA is eligible for Project SAFE if it:

(a) Has adopted a policy to implement and is implementing one or more of the strategies recommended in the CDC's [Guidance for COVID-19 Prevention in K-12 Schools](#), as may be updated. The most recent guidance incorporates the following strategies:

- (i) Promoting vaccination;
- (ii) Consistent and correct mask use;
- (iii) Physical distancing;
- (iv) Screening testing to promptly identify cases, clusters, and outbreaks;
- (v) Ventilation;
- (vi) Handwashing and respiratory etiquette;
- (vii) Staying home when sick and getting tested;
- (viii) Contact tracing, in combination with isolation and quarantine; and
- (ix) Cleaning and disinfection;

(b) Has incurred or will incur a financial penalty imposed by its SEA or other State entity, such as a reduction in funding, including but not limited to reduction in salaries for school board members or superintendents, due to implementation of one or more strategies described in paragraph (a); and

(c) To protect the safety and well-being of students, has continued at the time of application to implement such strategy or strategies for which the penalty was imposed and commits to maintain such strategy or strategies to the extent consistent with CDC guidance for the 2021-2022 school year.

### **Absolute Priority**

The Department will consider only applications that meet the Project SAFE absolute priority: Supporting LEAs' and local education leaders' efforts to improve student safety and well-being in LEAs that have been financially penalized by their SEA or other State entity for adopting and

implementing strategies consistent with CDC guidance to prevent the spread of COVID-19.

Under this absolute priority, the Department awards funds to support activities to improve student safety and well-being by advancing strategies consistent with CDC guidance to reduce transmission of COVID-19 in schools by addressing the harmful impact of disruptive State penalties imposed on the LEA for implementing CDC guidance. These activities could include, for example, activities to facilitate the continued implementation of strategies aligned with CDC guidance, despite the State-imposed penalty, and/or to maintain LEA and school stability, such as by enabling the LEA to maintain activities and/or staffing levels or compensation that would otherwise be negatively impacted or reduced due to financial penalties levied on the LEA for implementing strategies aligned with CDC guidance, including but not limited to a reduction in salaries for the superintendent or school board members.

Project SAFE applicants will demonstrate that they meet the absolute priority by proposing a project budget that meets the priority.

### **Project Period**

Up to 12 months. The Department may structure an LEA's award based on the timing of any anticipated future financial penalty.

### **Budget Request**

The total amount of Project SAFE funds an LEA requests must not exceed the amount of the financial penalty for adopting and implementing CDC guidance that the LEA incurred or will incur during the project period (up to 12 months). The Department may fund awards in whole, or in part, at its sole discretion, and may establish a maximum grant award level through a notice in the Federal Register in order to serve as many eligible applicants as possible. The Department may also structure an LEA's award based on the timing of any anticipated future financial penalty.

### **Timeline**

Applications will be reviewed by program staff and approved on a rolling, expedited basis contingent on the availability of funding.
