## Section 3: Shipment/Sales Data

Identify the recipient company(s) of the material produced for second party transformation or second party destruction, and the amount shipped to each company during the quarter.

**Note:** Due to a potential time lag between the date of production and the date of shipment, it is recognized that for a given quarter the information in Section 3 may not match the information reported in Section 2; however, it is expected that all material produced for second party transformation or second party destruction will eventually be shipped to a second party and must be reported as such in the applicable quarterly report.

If copying and pasting data into the table, please refer to the Reference List and the accompanying instructions.

As a reminder, a copy of the transformation and/or destruction verification from each company for which material was produced must be provided to EPA along with the submission of this report.
