(exp. 4/30/2018)

### Part I: Summary

Public Reporting Burden for this collection of information is estimated to average 1.25 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

# Instructions for Choice Neighborhoods Planning Grant Budget Form

## 1. Part I

- A. Fill in "Grantee Name", "Grant Number", "Site Name" and "Budget Revision #" above the table.
- B. Cells in lines 1-6 of the table autopopulate with information from Part II; Line 7 autopopulates with information from Part III.

## 2. Part II

Refer to the "Choice Neighborhoods Planning Grant Budget Guidance" posted to the program website at [www.hud.gov/cn](http://www.hud.gov/cn) for information about how to classify each activity.

- A. Under each BLI list each activity/contract separately. Provide enough detail for your grant management team to understand each activity.
- B. "Current Overall Choice Neighborhoods Planning Grant Budget" (Column 3) is the amount previously approved by HUD for each activity. If this is Budget Revision #1, enter the budget as proposed in your original grant application.
- C. "Requested Change in Overall Choice Neighborhoods Planning Grant Budget" (Column 4) is the amount by which you are changing from the previously approved amount for each activity.
- D. "Requested Change in Disbursed Funds (Realignment)" (Column 5) is used if funds were erroneously drawn from LOCCS from the wrong BLI. HUD will use this information to 'realign' the LOCCS draw information.
- E. "Current Authorized Amount" (Column 6) is the amount of funding currently available for draw down (i.e. has been 'spread') in LOCCS for each activity.
- F. "Requested Change in Amount Authorized for Expenditure (Change in Spread)" (Column 7) is the amount by which you are changing the funding available in LOCCS for each activity.
- G. All other cells have formulas and will autopopulate based on your entry in columns 3-7.

## 3. Part III

A. List on this spreadsheet any Non-Choice Neighborhoods funds (e.g., from match/leverage funds) that will be used to pay for costs associated with the Planning Grant effort that are not paid for by the Choice Neighborhoods grant funds.

- This form must include cash match and leverage. You may also include in-kind leverage. If including both, you must clearly label each source of leverage as "cash" or "in-kind."

## 4. LOCCS form

- A. Enter your Grant Management Team Coordinator's name.
- B. "Current LOCCS Expenditures" is the amount of funds you have drawn from LOCCS for each BLI.
- C. All other cells have formulas and will autopopulate.

## 5. Complete the form

- A. Review budget totals to make sure budgeted amounts equal the grant amount.
- B. Print Parts I, II, and III.
- C. Authorized Executive Officer signs and dates form on Part I.
- D. Submit completed workbook and signed form to your grant management team. You may submit the signed budget form either via email with a pdf or via mail with a hard copy. In either case, please also email the Excel workbook to your Team Coordinator.
