

Justification for Request for Nonsubstantive Change in AmeriCorps Seniors COVID-19 Service Activity Survey 3045-0006 4/30/2021.

The survey is unchanged. The survey is designed to identify service activities that are taking place during the COVID-19 pandemic. This OMB requirement has been in effect since March 2021. We initially envisioned this as a one-time survey, but OMB has since required that we distributed it every two months to AmeriCorps Seniors' grantees.

Original Burden: 550 hours (1,100 grantees X 0.5 hours per response)

New Burden: 2,200 hours (1,100 grantees X 0.5 hours pre response X estimated 4 more responses)
