

Client	NORC Public Health/CDC DASH
Project Name	National Adolescent Health Survey – Parent Survey MAIN
Project Number	8644
Survey length (median)	20 minute survey
Population	Age 18+ parent of child age 15-17
Pretest	N=9; 2020 pilot to be conducted with OMB waiver
Main	N=1217 (to yield ~900 dyad with teen interview)
MODE	Web/Phone
Language	English
Sample Source	AmeriSpeak
Incentive	20,000
Survey description	Parent Survey of Health 2021
Eligibility Rate	100%

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-new).

PHONE SCRIPTS
[CATI - OUTBOUND]

INTRO

Hello, my name is \$I. I'm calling from AmeriSpeak by NORC. May I please speak with [FIRSTNAME]?

[IF RESPONDENT IS AVAILABLE]

Thank you for your continued participation in AmeriSpeak. I am calling to let you know that your next survey is available. The survey takes approximately [SURVEYLENGTH] minutes to complete. If you complete the survey, you will receive [INCENTWCOMMA] AmeriPoints for your time. We will keep all of your answers confidential. Shall we proceed?

Great. As always, for quality assurance purposes, this call may be recorded or monitored.

[CATI-INBOUND]

INTRO

Thank you for calling AmeriSpeak by NORC. My name is \$I. How are you today?

And are you calling to take your next survey?

I just need to confirm that I'm speaking with [FIRSTNAME] [LASTNAME]. Is that you?

Great. This survey takes approximately [SURVEYLENGTH] minutes to complete over the phone and you will receive [INCENTWCOMMA] AmeriPoints for your time. We will keep all of your answers confidential.

As always, for quality assurance purposes, this call may be recorded or monitored.

Shall we proceed?

[CATI-CALLBACK]

CBINTRO

Hello, my name is \$. I'm calling from AmeriSpeak by NORC. We previously spoke with [FIRSTNAME] about completing an AmeriSpeak survey. Is [FIRSTNAME] available?

[IF RESPONDENT IS AVAILABLE]

Hello, my name is \$, calling from AmeriSpeak by NORC. We previously spoke with you about completing an AmeriSpeak survey. Are you available now to continue?

As always, for quality assurance purposes, this call may be recorded or monitored.

CONSENT.

We are asking you to take part in this survey on a series of topics about your teen [IF S3 FILLED, PIPE-IN "DOV_CHILDNAME"], including their mental health, sexual and reproductive health, social support systems, and school environment. This will take you about 15 minutes to finish, depending on your answers.

Important things you should know are:

- The Teen and Parent Surveys of Health are being conducted by NORC on behalf of the U.S. Centers for Disease Control and Prevention's (CDC) Division of Adolescent and School Health.
- The survey is voluntary; you can choose whether or not to take it, and you can stop taking the survey at any time.
- We would encourage you to take the survey at any time when you have privacy.
- You will be compensated for your time with [INCENTWCOMMA] AmeriPoints for completing the survey.

If you have any questions or concerns about your participation in this study, you can contact AmeriSpeak Support at support@AmeriSpeak.org or call (888) 326-9424.

Are you willing to complete this survey?

Q24.

How comfortable or uncomfortable would you feel with [DOV_CHILDNAME] getting sexual and reproductive health information from the following sources?

	Very comfortable	Comfortable	Neither comfortable nor uncomfortable	Uncomfortable	Very uncomfortable	Does not apply
a. Health classes in school						
b. A healthcare provider (outside of school)						
c. School nurse or other healthcare provider in school						
d. Another adult at school like a						

teacher, coach, or counselor						
e. An Internet search (such as a Google search)						
f. A website specifically for teens						
g. A medical website						
h. Social media (such as Twitter, Instagram, or YouTube)						
i. You						
j. [DOV_CHILDN AME]'s friends						
k. [DOV_CHILDN AME]'s siblings						
l. A person [DOV_CHILDN AME] is in a romantic relationship with (like a boyfriend or girlfriend)						

[GRID, SP; 3, 4, 3, 2, 2]
Q26.

The following topics and skills are commonly taught in school health education. Select when you feel the topic is most appropriate to be taught to students. Select one response for each health topic.

	Appropriate topic for students in: middle school only	Appropriate topic for students in: high school only	Appropriate topic for students in both middle and high school	Not an appropriate topic to be taught in school
a. The benefits of not having sex (i.e., being sexually abstinent)				
b. How to create and maintain healthy, respectful romantic relationships				
c. The range of sexual orientations (such as gay, lesbian, bisexual, heterosexual) and gender identities (such as cisgender, non-binary/conforming, transgender)				
d. How to talk with parents/caregivers about sex and relationship issues				
e. The importance of giving and receiving				

consent for sex				
f. How to reduce risk related to sexually transmitted infections (STIs), including HIV				
g. The importance of preventing pregnancy				
h. How to obtain and use condoms				
i. Methods of birth control to prevent pregnancy (such as IUD or implant; shot, patch, ring, pills, condoms)				
j. Using a doctor or clinic for health services including STI/HIV testing and treatment, pregnancy testing, and getting condoms and birth control				
k. How alcohol and other drug use can impact decision making during sex				
l. Recognizing if you or someone else is experiencing physical violence, sexual harassment, abuse, assault or rape				
m. Where to get help for someone (either yourself or a friend) who is thinking or talking about suicide				
n. How to handle challenging emotions such as anger, stress, anxiety, frustration, disappointment, or sadness

Section E. Health Services

[GRID, SP]

[CAWI: IF S3=77,98,99, PIPE-IN "my child" INSTEAD OF "your child"

CATI: IF S3=77,98,99, PIPE-IN "your child"]

Q28.

The following questions are about <u>mental health services at schools</u>. This refers to healthcare services provided by a licensed provider that may include classroom education and individual and group counseling. How much do you agree or disagree with the following statements?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
a. Having mental health services available at [DOV_CHILDNAME]'s school is important.					
b. Schools are a good place to provide mental health services to young people.					
c. [SHOW IF Q1=1] [CAWI: I; CATI: You] would be comfortable with [DOV_CHILDNAME] using mental health services at their school.					
d. [SHOW IF Q1=1] [CAWI: I; CATI: You] would encourage [DOV_CHILDNAME] to use mental health services at school if they needed such care.					

[GRID, SP]

[CAWI: IF S3=77,98,99, PIPE-IN "my child" INSTEAD OF "your child"

CATI: IF S3=77,98,99, PIPE-IN "your child"]

Q29.

The following questions are about <u>sexual and reproductive health services at schools</u>. This refers to healthcare services provided by a licensed provider that may include education, screening for sexually transmitted infections and counseling, and provision of methods of birth control. How much do you agree or disagree with the following statements?

	Strongly agree	Agree	Neither agree nor	Disagree	Strongly disagree

			disagree		
a. Having sexual and reproductive health services available at [DOV_CHILDNAME]'s school is important.					
b. Schools are a good place to provide sexual and reproductive health services to young people.					
c. [CAWI: I; CATI: You] would be comfortable with [DOV_CHILDNAME] using sexual and reproductive health services at their school.					
d. [CAWI: I; CATI: You] would encourage [DOV_CHILDNAME] to use sexual and reproductive health services at school if they needed such care.					

[DISPLAY – SECTE_1]

Now we'd like to ask about [DOV_CHILDNAME]'s experiences with healthcare providers.

[SP]

Q30.

Is [DOV_CHILDNAME] currently covered by any kind of health insurance or health plan?

CAWI RESPONSE OPTIONS:

1. Yes
2. No

CATI RESPONSE OPTIONS:

1. YES
2. NO

[SHOW IF Q30=1]

[SP]

Q30A.

What kind of health insurance does [DOV_CHILDNAME] currently have?

RESPONSE OPTIONS:

1. Public insurance (such as Medicaid, CHIP)
2. Private insurance
77. [CAWI:I; CATI: You] don't know

[SP]

Q31.

Where does [DOV_CHILDNAME] usually go for healthcare? Mark the one best option.

1. Doctor's office or clinic
 2. School-based health center
 3. School nurse's office
 4. Emergency room
 5. Health department
 6. Community health center
 7. Family planning center (e.g., Planned Parenthood)
 8. Urgent care or walk-in clinic (e.g., Minute Clinic, CVS, Walgreens)
 9. Other, please specify: __[SMALL TEXTBOX]__
 10. No usual place
 11. [CAWI: I'm; CATI: You're] not sure
-

[SP]

Q32.

How long has [DOV_CHILDNAME] been seeing their primary or regular provider? By regular provider, we mean a pediatrician or general or family physician, physician's assistant, or nurse practitioner [DOV_CHILDNAME] sees for general, routine healthcare.

1. 1 year or less
 2. More than 1 year but less than 2 years
 3. More than 2 years but less than 5 years
 4. More than 5 years
 5. [DOV_CHILDNAME] doesn't have a regular provider
 77. Don't know
-

[SP]

Q33.

The next question asks about [DOV_CHILDNAME]'s last preventive care visit. Preventive visits are visits to a doctor or other healthcare provider for a routine exam or checkup. This does not include times someone goes to a healthcare provider because they are sick or injured.

When was the last time [DOV_CHILDNAME] had a preventive care visit, such as a physical or checkup?

1. 1 year or less
 2. More than 1 year but less than 2 years
 3. Between 2 years and 5 years
 4. More than 5 years
 5. Never
 77. Don't know
-

[SHOW IF Q33=1,2,3,4]

GRID, SP; 4, 4, 4, 4]

Q34.

Did you and [DOV_CHILDNAME] talk about the following topics as a result of their last preventive visit?

	[CAWI: Yes; CATI: YES]	[CAWI: No; CATI: NO]	[CAWI: You don't remember]
	1	2	77
A. Mental health and emotional issues (such as stress, anxiety, and depression)			
B. Substance use (such as alcohol, tobacco, vaping, marijuana or other drugs)			
C. Gender identity (how [DOV_CHILDNAME] sees their own gender)			
D. Whether [DOV_CHILDNAME] has had sex			
E. Consent for sex			
F. How to say no to sex			
G. Sexual orientation (for example, being attracted to boys or girls)			
H. Sexuality and sexual health			
I. How to prevent sexually transmitted infections (STIs), including HIV			
J. Methods of birth control			
K. How to get sexual and reproductive health services (such as getting birth control or testing for sexually transmitted infections (STIs), including HIV)			
L. Where to get mental health care			
M. The importance of communication with parents			
N. Use of technology/screen time/media use			
O. Getting a healthy amount of sleep			
P. Developing teen strengths (qualities that help teens become healthy, contributing adults)			

[GRID, SP; 4, 4, 4, 4]

Q35.

During a preventive visit, how important do you think it is that a provider talks with [DOV_CHILDNAME] about the following topics?

	Very important	Moderately important	A little important	Not at all important
a. Mental health and emotional issues (such as stress, anxiety, and depression)				
b. Substance use (such as alcohol, tobacco, vaping, marijuana or other drugs)				
c. Gender identity (how [DOV_CHILDNAME] sees their own gender)				

d. Whether [DOV_CHILDNAME] has had sex				
e. Consent for sex				
f. How to say no to sex				
g. Sexual orientation (for example, being attracted to boys or girls)				
h. Sexuality and sexual health				
i. How to prevent sexually transmitted infections (STIs), including HIV				
j. Methods of birth control				
k. How to get sexual and reproductive health services (such as getting birth control or testing for sexually transmitted infections (STIs), including HIV)				
l. Where to get mental health care				
m. The importance of communication with parents				
n. Use of technology/screen time/media use				
o. Getting a healthy amount of sleep				
p. Developing teen strengths (qualities that help teens become healthy, contributing adults)				

[GRID, SP; 4, 4, 4,4]

Q36.

The next questions ask about [DOV_CHILDNAME]’s time alone with a healthcare provider (such as a doctor or a nurse practitioner), without a parent or caregiver in the room. This could include a time when you stepped out of the room during [DOV_CHILDNAME]’s appointment so that they could talk with their provider privately or a time when [DOV_CHILDNAME] had a healthcare visit on their own.

[SPACE]

How comfortable or uncomfortable would you be with [DOV_CHILDNAME] discussing the following topics with their regular healthcare provider <u>without you in the room</u>?

	Very comfortable	Somewhat comfortable	Neither comfortable nor uncomfortable	Somewhat uncomfortable	Very uncomfortable
a. Mental health and emotional issues (such as stress, anxiety, and depression)					
b. Substance use (such as alcohol, tobacco, vaping, marijuana or other drugs)					

c. Gender identity (whether someone's sex at birth matches the way they think or feel about their gender)					
d. Whether [DOV_CHILDNAME] has had sex					
e. Consent for sex					
f. How to say no to sex					
g. Sexual orientation (for example, being attracted to boys or girls)					
h. Sexuality and sexual health					
i. How to prevent sexually transmitted infections (STIs), including HIV					
j. Methods of birth control					
k. How to get sexual and reproductive health services (such as getting birth control or testing for sexually transmitted infections (STIs), including HIV)					
l. Where to get mental health care					
m. The importance of communication with parents					
n. Use of technology/screen time/media use					
o. Getting a healthy amount of sleep					
p. Developing teen strengths (qualities that help teens become healthy, contributing adults)					

Has a doctor or healthcare provider ever spent any time alone with [DOV_CHILDNAME] without a parent or caregiver in the room?

CAWI:

1. Yes
2. No
77. Don't know

CATI:

1. YES
