Subject Line: Intermountain Urgent Care Survey – please participate in a 10-minute survey about the Antibiotic Stewardship program

Hello!

You are being invited to participate in 10-minute survey about the Urgent Care Antibiotic Stewardship program sponsored by Drs. Tony Wallin and Eddie Stenehjem.

Why are we asking for help?

We need to understand how stewardship interventions have improved antibiotic prescribing in Urgent Care.

Why is your help important?

We need to understand what stewardship interventions work best for patients and clinicians. By giving your feedback, it will help us identify only the interventions that are most necessary to improve prescribing.

We have made it as easy as possible to give your feedback.

Click on the link or scan the QR code below to participate. This link is unique to you and should not be forwarded to others.
