Please review the letter below. If you have questions, please contact [Kim Brunisholz](#).
Thank you!

IRB Approved: XX-XX-2021 Approval Expires: XX-XX-202X

CONSENT COVER LETTER
IRB #: 1050982 STUDY TITLE: SCORE-UC: Improving Antibiotic Use in Urgent Care Facilities Through Implementation and Evaluation of Core Elements of Outpatient Antibiotic Stewardship PRINCIPAL INVESTIGATORS: Eddie Stenehjem, MD MSc/ Adam Hersh MD PhD
WHO IS PAYING FOR THE STUDY? Funding is provided by the Centers for Disease Control and Prevention
DO ANY OF THE RESEARCHERS HAVE A CONFLICT OF INTEREST WITH THIS STUDY? The researchers have nothing to disclose.
WHY IS THIS STUDY BEING DONE? The purpose of this research is to pair clinical effectiveness researchers with implementation science researchers in order to conduct a study implementing evidence-based practices of appropriate antibiotic prescribing in the Urgent (UC) setting. The specific aims are to perform a retrospective evaluation of antibiotic prescription practices in Intermountain Healthcare UCs and evaluate the impact of implementing antibiotic stewardship best practices into the UC setting.
WHAT EXAMS, TESTS AND PROCEDURES ARE INVOLVED IN THIS STUDY? We would like you to participate in a survey so we may be able to determine the barriers and facilitators to appropriate antibiotic prescribing in the Urgent Care setting. This survey should take up to 10 minutes depending on your answers.
WHAT RISKS CAN I EXPECT FROM TAKING PART IN THIS STUDY? The only potential risk is the potential for breach of confidentiality. Your responses will be de-identified and individual identification will not be reported to others.
WHAT ARE THE BENEFITS OF TAKING PART IN THIS STUDY? There is no benefit to you for participating.
WHAT ARE THE ALTERNATIVES TO TAKING PART IN THIS STUDY? There is no alternative for participating other than not participating.
WILL I RECEIVE RESULTS FROM THIS STUDY? The outcomes of this study will be reported to the Centers for Disease Control and Prevention and will be published in future academic products which will be made publicly available after publication.
WHO WILL SEE MY PERSONAL INFORMATION? Only authorized members of the study team may view the collected data.
WILL ANY OF MY INFORMATION OR SAMPLES FROM THIS STUDY BE USED FOR ANY COMMERCIAL PROFIT? There is no intent to use any of the data collected to develop a commercial for-profit product.
WHAT ARE THE COSTS OF TAKING PART IN THIS STUDY? There is no financial cost to participate.
WHERE CAN I GET MORE INFORMATION? If you have any questions complaints or if you feel you have been harmed by this research, please contact Dr. Eddie Stenehjem (801) 507-7781 (eddie.stenehjem@gmail.org). If you have questions regarding your rights as a research subject or if problems arise which you do not feel you can discuss with the Investigator, please contact Intermountain's Office of Research at 1-800-321-2107.
DO I HAVE TO TAKE PART IN THIS STUDY? Participation in this study is voluntary. You can choose not to take part.

When responding to this survey:

- Each group of prompts is part of one measure. Please take great care to answer each prompt independently.
- Prompts using similar terms may capture different aspects of each measure.
- Use your best judgment when interpreting the meaning of each prompt based on the terms used.

CLINICIAN EDUCATION
has been a
Core Element
in the
Urgent Care Antibiotic Stewardship Program

Which CLINICIAN EDUCATION intervention do you have the most experience with?
* must provide value

Infectious Diseases Updates During In-Person Meetings

Opportunities to Consult Infectious Diseases Experts

Antibiotic Stewardship Website Resources

None / I don't have experience with these interventions
