

Email reminder for interview after Intensive

Hi [First name],

We would like to congratulate you again for completing the Creative Problem-Solving Intensive of the National Learning Community for HIV CBO Leadership! This is a reminder to please help us improve our services by participating in a 15-minute phone interview with our evaluator. We really value your time and would love to hear your thoughts. Your feedback will help us understand what was most helpful about the program and how we may improve it.

The following link will take you to a doodle poll to schedule your interview:
