

Email invitation for interview after Intensive

Hi [First name],

Congratulations! You have successfully completed the Creative Problem-Solving Intensive of the National Learning Community for HIV CBO Leadership. We hope you enjoyed your experience and found it useful and productive.

We are working to improve our services for our community members, such as yourself, and we want to hear what you think! If you have a moment to spare, please consider participating in a 15-minute phone interview with our evaluator. We would greatly appreciate your feedback to help us understand what was most helpful about the program and how we may improve it.

The following link will take you to a doodle poll to schedule your interview:
