

EXHIBIT A.

Examples of a cover page

(shown in landscape and portrait versions)

The examples in this exhibit illustrate the overall look for the cover page of the Model Part D EOB. This example is for a Part D EOB to be sent out April 5, 2022, for a fictional plan called “Birchwood Medicare Plus.”

In this exhibit, the same cover is shown in portrait orientation and landscape orientation. Plans may use either of these.

- Since the rest of the EOB is in landscape orientation, using landscape orientation for the cover minimizes burden on the readers by keeping a consistent orientation throughout the document.
- The portrait version of the cover is included for optional use, with the member’s name and address positioned for mailing in a window envelope.
