

**AGREEMENT BETWEEN THE CENTERS FOR MEDICARE & MEDICAID  
SERVICES AND CERTIFIED APPLICATION COUNSELOR  
DESIGNATED ORGANIZATION IN A STATE IN WHICH A FEDERALLY-  
FACILITATED EXCHANGE IS OPERATING**

---

**THIS AGREEMENT** (“Agreement”) is entered into by and between THE CENTERS FOR MEDICARE & MEDICAID SERVICES (“CMS”), as the Party (as defined below) responsible for the management and oversight of the Federally-facilitated Exchanges (“FFE”), and \_\_\_\_\_ [insert name and application identification number of organization], an organization that has been designated by CMS as a Certified Application Counselor Designated Organization (hereinafter referred to as “CDO”) in \_\_\_\_\_ [insert name of applicable FFE state(s) in which organization is designated], a State/States in which an FFE is operating. CMS and CDO are hereinafter sometimes referred to as “Party” or, collectively, as the “Parties.”

**WHEREAS:**

1. Pursuant to 45 CFR 155.225(b), to facilitate the operation of the FFE, CMS may designate an organization to certify its staff members or volunteers to act as Certified Application Counselors (CACs).
2. Pursuant to 45 CFR 155.225(c), CACs are expected to provide the following services to Consumers:
  - a. Provide information about the full range of Qualified Health Plan (QHP) options and Insurance Affordability Programs for which Consumers are eligible which includes: providing fair, impartial, and accurate information that assists Consumers with submitting the eligibility application; clarifying the distinctions among health coverage options, including QHPs; and helping Consumers make informed decisions during the health coverage selection process;
  - b. Assist with applications for coverage in a QHP through the FFE and for Insurance Affordability Programs; and
  - c. Help to facilitate enrollment in QHPs and Insurance Affordability Programs.
3. Pursuant to 45 CFR 155.225(b)(1)(i), to be designated as a CDO, an organization must enter into an agreement with the Exchange to comply with the standards and requirements of 45 CFR 155.225, including but not limited to 45 CFR 155.225(d)(3)-(5).
4. To facilitate the operation of the FFE, CMS has determined that it would be beneficial to permit CDO, and the staff members and volunteers CDO certifies as CACs, to create, collect, disclose, access, maintain, store, or use Personally Identifiable Information (“PII”) from CMS and Consumers, to the extent that these activities are necessary to carry out the Authorized Functions that the Affordable Care Act (“ACA”), implementing regulations, and this Agreement permit.

5. 45 CFR 155.260(b) provides that an Exchange, in written contracts or agreements, must bind Non-Exchange Entities to comply with privacy and security standards and obligations the Exchange adopts in accordance with 45 CFR 155.260(b)(3), and CDO is a Non-Exchange Entity.
6. CMS, in the administration of the FFEs, has adopted privacy and security standards for CDO, as set forth in the attached Appendix A, “Privacy and Security Standards for Certified Application Counselors and Certified Application Counselor Designated Organizations,” which is hereby incorporated by reference. Compliance with this Agreement satisfies the requirement under 45 CFR 155.225(d)(3) to comply with Exchange privacy and security standards, and applicable authentication and data security standards.

Now, therefore, in consideration of the promises and covenants herein contained, the adequacy of which the Parties acknowledge, the Parties agree as follows.

- I. DEFINITIONS. Capitalized terms not otherwise specifically defined herein shall have the meaning set forth in the attached Appendix B, “Definitions,” and/or in 45 CFR 155.20, which definitions are hereby incorporated by reference.
- II. OBLIGATIONS AND CONDITIONS. To carry out the functions of a CDO, as authorized by 45 CFR 155.225, and as a condition of its designation as a CDO by the FFE, CDO agrees to:

CAC Certificates must include the staff member or volunteer’s name and unique CAC identification number, and an expiration date that is one year from the date of issuance. When recertifying any individual staff member and/or volunteer, the CDO shall issue an updated CAC Certificate, to reflect the date that the CAC has been recertified, and an expiration date that is one year from the date of issuance. CDO must retain a record of each certification provided under this provision for a period of no less than six (6) years, unless a different and longer retention period has already been provided under other applicable Federal law.
  2. Prior to certifying or recertifying any staff member or volunteer to serve as a CAC, do all of the following:
    - a. Ensure that each such staff member or volunteer seeking certification or recertification as a CAC completes all required CMS-approved training regarding

QHP options, Insurance Affordability Programs, eligibility, and benefits rules and regulations governing all Insurance Affordability Programs operated in the state, as implemented in the state, and completes and achieves a passing score on all CMS-approved certification or recertification examinations, prior to functioning as a CAC;

  - iv. Meet any licensing, certification, or other standards prescribed by the State or FFE, if applicable, so long as such standards do not prevent the application of the provisions of title I of the Affordable Care Act;
  - v. Prior to creating, collecting, disclosing, accessing, maintaining, storing, or using any PII of Consumers to carry out the Authorized Functions listed at Section III.2 of this Agreement, obtain the authorization required by 45 CFR 155.225(f) and section II.10.b of this Agreement (hereinafter referred to as "authorization"). This authorization is separate and distinct from any informed consent obtained pursuant to section 2(b) of Appendix A of this Agreement;

This tracking method shall include assigning a unique CAC identification number to each staff member or volunteer certified by the CDO to serve as a CAC, which shall consist of an identification number that CMS assigns the CDO and that identifies the CDO, followed by the unique identification number assigned to each individual staff member or volunteer by the CDO. The unique CAC identification number should be assigned to only one person, and the CDO should not re-use CAC identification numbers that were previously assigned to staff or volunteers who no longer are CACs.;

In the event that CMS determines, in its sole but reasonable discretion, that the CDO has materially breached this Agreement but should be provided with an opportunity to cure the material breach(es), CMS may provide fourteen (14) Days' written notice to CDO that this Agreement will terminate unless CDO commences curing such breach(es) within such fourteen (14)-Day period to the reasonable satisfaction of CMS, and thereafter diligently prosecutes such cure to completion. ### **PRIVACY AND SECURITY STANDARDS FOR CERTIFIED APPLICATION COUNSELORS AND CERTIFIED APPLICATION COUNSELOR DESIGNATED ORGANIZATIONS**

These standards and implementation specifications are established in accordance with Section 1411(g) of the Affordable Care Act (42 U.S.C. § 18081(g)) and 45 CFR 155.260. As used in this Appendix, all terms used herein carry the meanings assigned in Appendix B.

Certified Application Counselor Designated Organization (“CDO”) and any Certified Application Counselor certified by CDO (“CAC”) must meet the following privacy and security standards and implementation specifications in performing the duties and functions outlined under 45 CFR 155.225(c) as further detailed in the Agreement Between the Centers for Medicare & Medicaid Services and Certified Application Counselor Designated Organization in a State in Which a Federally-facilitated Exchange is Operating (“CMS-CDO Agreement”) and as further detailed in the CDO’s agreement with CAC (“CDO/CAC Authorized Functions”).

- (1) Privacy Notice Statement. Prior to collecting PII or other information from Consumers for the purpose of fulfilling a CDO/CAC Authorized Function, CDO and/or CAC must provide Consumers with a privacy notice statement. The privacy notice statement must be in writing and must be provided on, or simultaneously with, any electronic and/or paper form the CDO and/or CAC will use to gather and/or request PII or other information from Consumers. The privacy notice statement must also be prominently and conspicuously displayed on the CDO’s public facing Web site, if applicable, if the CDO and/or CAC will gather or request PII or other Consumer information through that Web site.

- (a) Privacy Notice Statement Requirements.

- i. The privacy notice statement must be written in plain language and, to the extent possible, provided in a manner that is accessible and timely to people living with disabilities and with limited English proficiency.
    - ii. The statement must contain at a minimum the following information:
      1. A description of the information to be collected;
      2. The purpose for which the information is being collected;
      3. The intended use(s) of the information;
      4. To whom the information may be disclosed, for what purposes, and how a record of any disclosures may be requested from the CDO;
      5. What, if any, notice or opportunities for consent will be provided regarding the collection, use or disclosure of the information;
      6. How the information will be secured;

7. Whether the request to collect information is voluntary or mandatory under the applicable law;
8. Effects of non-disclosure if a Consumer chooses not to provide the requested information;
9. Any rights the person may have under state or federal laws relevant to the protection of the privacy of an individual; and
10. Information on how to file complaints with CMS and the CDO related to the CDO's and CAC's activities in relation to the information.

iii. The CDO shall maintain its privacy notice statement content by reviewing and revising it as necessary on an annual basis, at a minimum, and before or as soon as possible after any change to its privacy policies and procedures.

(b) Notwithstanding the general requirement above to provide a written privacy notice statement prior to collecting PII or other information from Consumers, this provision does not require CDO and/or CAC to provide a written privacy notice statement to Consumers prior to collecting a Consumer's name, physical address, e-mail address, or telephone number, so long as such information will be used solely for the purpose of making subsequent contact with the Consumer to conduct a CDO/CAC Authorized Function or sending to the consumer educational information that is directly relevant to CDO/CAC Authorized Functions. Nonetheless, with regard to such names, physical addresses, e-mail addresses, or telephone numbers, CDO and/or CAC still must comply with all privacy and security standards and requirements outlined in the CMS-CDO Agreement, the agreement between CDO and CAC, and this Appendix A.

(2) Permissible Uses and Disclosures of PII. The CDO and CAC may create, collect, disclose, access, maintain, store, and use PII from Consumers only for CDO/CAC Authorized Functions identified in Section III.2 of the CMS-CDO Agreement and Section III.b of the agreement between CDO and CAC that is in effect as of the time the information is collected, unless the CDO and/or CAC obtains informed consent as described in Section 2(b) of this Appendix A.

(a) Authorization:

- i. Prior to creating, collecting, disclosing, accessing, maintaining, storing, or using any Consumer PII to perform an Authorized Function, CDO and/or CAC must obtain the authorization required by 45 CFR 155.225(f), Section II.10.b of the CMS-CDO Agreement (hereinafter referred to as "authorization"), and Section III.d of the agreement between CDO and CAC. This authorization is separate and distinct from the informed consent referenced in Section 2(b) below;

- ii. CDO and/or CAC must maintain a record of the authorization provided for a period of no less than six (6) years, unless a different and longer retention period has already been provided under other applicable Federal law; and
- iii. CDO and/or CAC must permit the Consumer to revoke the authorization at any time.

(b) Informed Consent:

- i. CDO and/or CAC must obtain informed consent from Consumers for any creation, collection, use or disclosure of information that is not authorized under the CMS-CDO Agreement and the agreement between CDO and CAC. Such informed consent must be in writing, signed by the consenting party, and subject to a right of revocation.
- ii. CDO and CAC are prohibited from denying information or assistance to persons or entities that do not wish to grant consent for any creation, collection, use or disclosure of Consumer information that is not authorized under the CMS-CDO Agreement and the agreement between CDO and CAC.
- iii. Informed consent must:
  - 1. Be provided in specific terms and in plain language;
  - 2. Identify who will obtain access to the Consumer's information under the terms of the informed consent;
  - 3. Describe the purpose for which the informed consent is being obtained;
  - 4. Explain what information the CDO and/or CAC will use or disclose to a specific recipient(s);
  - 5. Provide notice of a Consumer's ability to revoke the consent at any time; and
  - 6. Include an expiration date or event, unless effectively revoked in writing by the Consumer before that date or event.
- iv. Informed consent documents must be appropriately secured and retained for no less than six (6) years, unless a different and longer retention period has already been provided under other applicable Federal law.

(3) Limitations on creation, collection, disclosure, access, maintenance, storage, and use.

(a) Permissible creation and use of PII.

Other than in accordance with the informed consent procedures outlined above, the CDO and/or CAC shall only create, collect, disclose, access, maintain, store, or use PII it receives in its capacity as a CDO or CAC:

- i. In accordance with the privacy notice statement referenced in Section (1) above; and/or
- ii. In accordance with the CDO/CAC Authorized Functions.

(b) Prohibited requests for, collections, or uses of PII.

- i. request or require a social security number, information regarding citizenship, status as a national, or immigration status for any individual who is not seeking coverage for himself or herself on an application;
- ii. request information from or concerning any individual who is not seeking coverage for himself or herself, unless the information is necessary for the eligibility determination for enrollment in a Qualified Health Plan or Insurance Affordability Programs for those seeking coverage, or is required as part of a SHOP employer application under 45 C.F.R. §155.730. Such necessary information may include information on individuals who are in an individual's tax household or who live with an individual applying for coverage, including contact information, addresses, tax filing status, income and deductions, access to employer-sponsored coverage, familial or legal relationships, American Indian or Alaska Native status, or pregnancy status; or

(c) Accounting for Disclosures. Except for those disclosures that are necessary to carry out CDO/CAC Authorized Functions, CDOs and/or CACs that maintain and/or store PII shall maintain an accounting of any and all disclosures of PII.

The accounting shall:

Specifically, CDO is required to establish and CDO and CAC are required to implement operational, technical, administrative and physical safeguards that are consistent with any applicable laws and ensure that:

- i. PII is only used by or disclosed to those authorized to receive or view it;
  - ii. PII is protected against any reasonably anticipated threats or hazards to the confidentiality, integrity, and availability of such information;
  - iii. PII is protected against any reasonably anticipated uses or disclosures of such information that are not permitted or required by law; and
  - iv. PII is securely destroyed or disposed of in an appropriate and reasonable manner and in accordance with record retention requirements under the CDO-CMS Agreement and the agreement between CDO and CAC.
- (b) CDO must monitor, periodically assess, and update the security controls and related system risks to ensure the continued effectiveness of those controls.

- (6) Training and Awareness Requirements. The CDO shall develop role-based training and awareness programs for members of its Workforce, and CAC shall participate in such training and awareness programs. Specifically, the CDO must require members of its Workforce to successfully complete privacy and security training that is specifically tailored and relevant to their work duties and level of exposure to PII, and prior to when they assume responsibility for/have access to PII, and CAC must successfully complete such training prior to assuming responsibility for/having access to PII.
