

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 29)

Note: The questions below are the proposed questions for the twenty-sixth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 29 only or are being asked again to update data on a variable of interest. We will be fielding new questions about booster shots, FDA approval of the Pfizer vaccines, and parents' vaccine intentions. ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
