

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 5)

Note: The questions below are the proposed questions for the fifth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 5 only. This week we have added questions that examine opinion changes on HHS, trusted vaccine messengers, and challenges to getting vaccinated.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
