| 1. ATF has requested my assistance with official law enforcement activities. In furtherance of ATF's mission, I voluntarily agree to perform this service. | |
| 2. ATF has assigned the above-named SA or TFO to serve as the CI handler. It is imperative that I maintain contact with the CI handler and advise him/her of my activities, abide by his/her instructions, and keep him/her informed of changes to my telephone number and residential address. | |
| 3. I will not participate in any unlawful activities except insofar as ATF determines that such participation is necessary to establish and/or support an investigation and ATF expressly authorizes such acts in advance. I understand that any violation of the law not expressly authorized by ATF may result in my prosecution. Further, I will not initiate any plans to commit criminal acts. I understand that I will not induce any individual to commit a crime that he or she is not predisposed to commit. | |

Further, I understand that any monetary or other type of award given to me by ATF, either for services rendered or information provided, must be declared as other income on any income tax return I may be required to file. | |
| 11. I understand that any monetary or other type of award given to me by ATF will not be contingent upon the prosecution, conviction, or punishment of individuals. Further, I understand that any monetary or other type of award given to me by ATF will not be contingent upon my testimony in court or administrative hearings. | |
| 12. I understand that ATF cannot guarantee me any awards, payments, other compensation, or the outcome of any judicial actions. | |
