Note to reader: Bold lines in between questions signify page/screen breaks.

Welcome to the United States Mint's product satisfaction survey.

This survey is designed to help the United States Mint understand how it can improve the products and services it provides. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB number. The valid OMB control number for this information collection is 1525-0012. **Your participation in this survey is ENTIRELY VOLUNTARY and should require approximately 10-15 minutes of your time.**

It is NAXION's policy to keep interviews anonymous. Consistent with this policy, NAXION will entrust other entities with respondent-identified survey data only when: 1) the participant gives explicit permission to release this data, or 2) the data is shared with an entity who agrees in writing that the data will be held strictly adequately protected and that the data will be used for research purposes only, or 3) the release of this data is required by law.

You will not be contacted for sales purposes as a result of participating in this survey.

For further information on NAXION's privacy policy, you can view our website at [www.naxionthinking.com/privacy-policy/naxion-research-participant-privacy-notice](http://www.naxionthinking.com/privacy-policy/naxion-research-participant-privacy-notice).

If you have any questions or problems while completing the survey, please call Josh Aronson weekdays from 9:00 AM to 5:00 PM EDT at 215-496-6861, or send an e-mail to [PFQuestions@naxionthinking.com](mailto:PFQuestions@naxionthinking.com).

Please click the Forward button to begin the survey.

---

To begin, we will first take a few minutes to familiarize you with our survey.

You will need to MAXIMIZE YOUR SCREEN in order to view the contents of the windows more easily (click the box in the upper right-hand corner of your screen).

The survey will NOT ALLOW YOU TO SKIP A QUESTION. If you do not know an exact answer, then please give your best estimate.

You may click on the STOP button to pause the program to take a break. When you re-enter the survey you must use the link provided; the survey will return to the screen where you clicked Stop.

Please click the FORWARD button to begin.

**SCREENING CRITERIA**

- a [INSERT RATING FROM Q4 ON "Quality of the coins/medals/items"] and
- a [INSERT RATING FROM Q4 ON "Quality of the finished-product packaging components (e.g., blister/capsule/lens, product roll, bag, box/carton or sleeve, certificate of authenticity, informational booklet, graphics/artwork, display platform/pillow)"]].

Why are you not fully satisfied with the quality of the [INSERT PRODUCT NAME]?

**PROGRAMMING:**

- Ask Q4b for each specific product that is rated <6 on either quality of the coins/medals/items OR quality of the finished-product packaging components in Q4. If more than 3 products are rated <6 on either quality of the coins/medals/items or quality of the finished-product packaging components, cap the number of products asked about in Q4b at 3, showing the products that so far have been asked about least.
  - Only show bullet with Rating from Q4 if <6. So, if "Quality of the coins/medals/items" is 6 and "Quality of the finished-product packaging components..." is 3, only display bullet for "Quality of the finished-product packaging components..." If the reverse is true ("Quality of coins/medals items" is 3 and "Quality of the finished-product packaging components..." is 6), do the same AND remove the word "and" at the end of the first bullet.
  - Cap the number of Open Ends that a respondent sees for Q4b at 3. If multiple to be asked, show each open-end on a different screen.
  - Do not force entry. Ask for confirmation if open-end is blank.
