

UNITED STATES DEPARTMENT OF EDUCATION

ATTESTATION FOR CERTAIN HEALD COLLEGE BORROWERS

(APPLICATION FOR BORROWER DEFENSE TO REPAYMENT LOAN DISCHARGE)

The Department of Education has found that at various times between 2010 and 2014, Heald College published misleading job placement rates for many of its programs of study. This form is designed to expedite the process of obtaining loan forgiveness based on borrower defense to repayment for loans taken out by Heald College borrowers to enroll in these programs. This form covers federal Direct Loans (including Parent PLUS loans issued to parents of Heald borrowers) received on or after July 1, 2010. A list of covered programs and dates of enrollment is available at StudentAid.gov/sites/default/files/heald-findings.pdf.

Please fill out this attestation ONLY IF your program and dates of enrollment are included on this list.

Heald College students and, if applicable, parents with Parent PLUS loans who did not attend programs where the Department of Education found misleading job placement rates, or whose decision to enroll was not influenced by those job placement rates, may still be eligible for loan forgiveness based on borrower defense to repayment. Additional instructions to file a claim for loan forgiveness can be found at StudentAid.gov/borrower-defense.

Instructions: Please complete this form (students and, if applicable, parents with Parent PLUS loans). To sign the form, insert a digital image of your signature in the appropriate field below or print a hard copy of the form and sign. Submit your form and all supplementary documents referenced in question #4 via email to BorrowerDefense@ed.gov or mail to US Department of Education - Borrower Defense to Repayment, PO Box 1854, Monticello, KY 42633.

SECTION II: PROGRAM INFORMATION

If you, or your child in the case of Parent PLUS loans, enrolled in more than one covered Heald program, you will need to complete the following for each covered program you, or your child, attended. For example, if you, or your child, were a criminal justice student in 2011 and returned in 2012 for an accounting program, you should complete the first Campus Program section based on your, or your child's, enrollment in criminal justice and the second Campus Program section based on your, or your child's, enrollment in accounting.

If you, or your child in the case of Parent PLUS loans, have more than one program, click the Add Campus Program button that appears at the bottom of the CampusProgram section.

Note: This form applies to students and, if applicable, parents with Parent PLUS loans who enrolled in a program after misleading placement rates were published for the program. SECTION IV: DIRECT LOAN FORBEARANCE

By completing this form, you are eligible to have all of your federal loans placed into forbearance and for collections on any federal loans in default to stop while your claim is reviewed by the Department of Education. Please read the following information carefully before making your selection below.

During any period that your loans are in forbearance, you do not have to make payments on those loans, and the loans will not go into default. If your loans are already in default, collections will stop. This will continue until the loan discharge review process is completed. Your servicer will notify you when your loan has been placed into forbearance or stopped collections. Until you receive that notice, you should continue to make payments.

The forbearance or stopped collections will affect all of a borrower's federal loans, including loans that are not eligible for discharge through this form, such as Federal Family Education Loans (FFEL), loans taken out to attend a Heald College program not on the enclosed list of covered programs, or loans taken out to attend another institution.

Note that interest will continue to accrue on all of these federal loans, including subsidized loans, during the forbearance or stopped collections period.

If you want the forbearance or stopped collections to apply only to those loans that may be eligible for a discharge using this form, you must notify your loan servicer. At any time during the forbearance or stopped collections period, you may voluntarily make payments on your loans, including payments for accrued interest, or end the forbearance or stopped collections by contacting your servicer.

If your claim made using this form is successful, your federal Direct Loans borrowed to attend a covered Heald College program will be discharged. Also at that time, the forbearance or stopped collections period for your other federal loans will end. You will be responsible for repaying these other remaining loans, including interest that accrued during the forbearance or stopped collections period, under the terms of your promissory note.

If your claim is denied, you will not receive a discharge of any of your loans and the forbearance or stopped collections period will end for all of your loans. You will be responsible for repaying these loans, including interest that accrued during the forbearance or stopped collections period, under the terms of your promissory note.

- Yes, I want my federal loans to be placed in forbearance and for collections to stop on any loans in default while my loan discharge claim is reviewed.
- No, I do not want my federal loans to be placed in forbearance and for collections to stop on any loans in default while my loan discharge claim is reviewed.

All of the information I provided is true and complete to the best of my knowledge and I agree, if asked, to provide information reasonably available to me to the Department of Education that will verify the accuracy of my completed attestation.

The authorities for collecting the requested information from and about you are Section 455(h) of the *Higher Education Act of 1965*, as amended (*HEA*) (20 U.S.C. 1087e(h)) and 34 C.F.R. § 685.206(c) and the authorities for collecting and using your Social Security Number (SSN) are the same but also include 31 U.S.C. 7701(b). The primary purpose of the information collected is for the use and administration of the U.S. Department of Education's office of Federal Student Aid (ED/we) for borrower defense to loan repayment program. The information you provide ED on this form and your SSN are voluntary, but you may need to provide the requested information on this form, including your SSN and/or a Federal Student Aid ID (FSA ID) that provides ED your verified SSN and other individual information pertaining to a student's or parent's Student Financial Assistance Programs account(s), for ED to process or complete our review of your borrower defense to loan repayment application. You may submit a form without your SSN or an FSA ID by filling out a form and sending it to ED via email or physical mail because disclosure of the information requested on this form is voluntary. However, without providing all the requested information on this form, ED may not be able to conduct a full investigation and complete the review of your application.

We use the information that you provided on this form including your name, SSN, date of birth, address, email address, telephone number(s), and / or an FSA ID, to receive, review, evaluate, and process requests for relief under the borrower defense to loan repayment regulations, to render decisions on the merits of such requests for relief, and, where requests for borrower defense to loan repayment are successful, to determine the relief that is appropriate to borrowers under the circumstances as well as to initiate appropriate proceedings to require schools whose acts or omissions resulted in the successful defenses against repayment to pay ED the amounts of the loans that apply to the defenses. Without your consent, ED may disclose the information that you provided and as otherwise allowed by the *Privacy Act*, pursuant to the routine uses identified in the system of records notice (SORN) entitled "Customer Engagement Management System (CEMS)" (18-11-11) and published in the Federal Register as [83 FR 27587-27591 \(June 13, 2018\)](#). These routine uses include, but are not limited to, a routine use that permits ED to disclose your information to foreign agencies, Federal agencies, State agencies, Tribal, or local agencies, accreditors, schools, lenders, guaranty agencies, servicers, and private collection agencies when further information is relevant to ED's resolution of your complaint, request, or other inquiry, tracking your application or your inquiry, and, where a request for borrower defense to loan repayment is successful, to determine the relief that is appropriate under the circumstances as well as to initiate the appropriate proceeding to require the school whose acts or omissions resulted in the successful defense against loan repayment to pay ED the amount of the loan that apply to the defenses. We may use your information for reporting, analyzing the data to make recommendations in student financial assistance programs, and assisting in the informal resolution of disputes.

Disclosure of relevant information also may be made to the responsible foreign, Federal, State, Tribal or local agencies charged with investigating or prosecuting a violation or potential violation of law in the event that information indicates, either on its face or in connection with other information, a violation or potential violation of any applicable statute, regulation, or order of a competent authority.

In the event of litigation or alternative dispute resolution (ADR) involving ED or that we have an interest in and if that a party is either any component of ED, any ED employee in his or her official capacity, any ED employee in his or her individual capacity where representation for the employee has been requested or has been agreed to by ED or the Department of Justice (DOJ), or the United States where ED determines that the litigation is likely to affect ED or any of its components, we may disclose your information to DOJ, a court, adjudicative body, a person or an entity designated by ED or otherwise empowered to resolve or mediate disputes, or a counsel, party, representative, or witness if the disclosure is relevant and necessary to the litigation or ADR. ED also may disclose your information to DOJ to the extent necessary for obtaining DOJ's advice on any matter relevant to an audit, inspection, or other inquiry. We may send information to members of Congress if you ask them to help you with federal student aid or Student Financial Assistance Programs account(s) questions. Disclosures may be made to our contractors for the purpose of performing any programmatic function that requires disclosure of records. As part of such a contract, we will require the contractor to maintain safeguards to protect the security and confidentiality of the records that are disclosed to the contractor. If a record is relevant and necessary to a borrower complaint regarding participants in any Federal Student Financial Assistance Programs under title IV of the *HEA*, ED may disclose a record only during the course of processing, reviewing, investigating, fact-finding, or adjudicating the complaint to: any party to the complaint; the party's counsel or representative; a witness; or a designated fact-finder, mediator, or other person designated to resolve issues or decide the matter. ED also may disclose records to the DOJ or Office of Management and Budget (OMB) if ED concludes that disclosure is desirable or necessary in determining whether particular records are required to be disclosed under the *Freedom of Information Act (FOIA)* or the *Privacy Act*. ED may disclose your information to appropriate agencies, entities, and persons when ED suspects or has confirmed that there has been a breach of the system maintaining your information; which poses a risk of harm to individuals, ED (including its information systems, programs, and operation), the Federal agencies, or national security and the disclosure made to such agencies, entities, and persons is reasonably necessary to assist ED's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm. ED also may disclose your information to another Federal agency or Federal entity, when ED determines that your information is reasonably necessary to assist the recipient agency or entity in responding to a suspected or confirmed breach or preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal agencies, or national security, resulting from a suspected or confirmed breach.
