Collection of this information requested is authorized by Section 145 of the Atomic Energy Act of 1954, as amended (PL-83-703). The Foreign Access Central Tracking System (FACTS) is a Department of Energy (DOE) System of Records identified as DOE-52, Access Control Records of International Visits, Assignments, and Employment at DOE Facilities and Contractor Sites. Compliance with this request is voluntary; however, if the information submitted is inadequate or incomplete, approval for your visit to a DOE site, or your access to information, may be delayed or withheld. The information you furnished will be used by DOE and DOE contractors to control access to information and areas.
