

United States Department of Energy

Foreign Citizenship Acknowledgment

The U.S. Department of Energy (DOE) has considered your foreign citizenship as it relates to eligibility for an access authorization/security clearance under title 10, Code of Federal Regulations, Part 710, E.O. 12968 and the Government-wide Adjudicative Guidelines, as revised, approved by the President. In accordance with these policies, exercising any right(s) associated with your foreign citizenship raises a concern that could impact your eligibility for an access authorization/security clearance, now and in the future.

You acknowledge that you are a citizen of the United States and _____ (print name of foreign country). You further acknowledge the fact that exercising any right resulting from your foreign citizenship, or through the foreign citizenship of a family member, unless specifically authorized in advance, in writing, by your servicing DOE Cognizant Personnel Security Office may result in the suspension and/or revocation of your access authorization/security clearance. This includes, but is not limited to:

1. Possession, acquisition or use of a foreign passport.
2. Military service or a willingness to bear arms for a foreign country.
3. Accepting educational, medical, retirement, social welfare, or other such benefits from a foreign country.
4. Residence in a foreign country to meet citizenship requirements.
5. Using foreign citizenship to protect financial or business interests in another country.
6. Seeking or holding political office in a foreign country.
7. Voting in a foreign election.
8. Action to acquire or obtain recognition of a foreign citizenship.
9. Performing or attempting to perform duties, or otherwise acting, so as to serve the interests of a foreign person, group, organization, or Government in conflict with United States national security interests.
10. Any statement or action that shows allegiance to a country other than the United States.
