Reporting Form Navigation:	
Section 1 - Facility Identification	Section 4 - Application-Specific Allowance Holder Information
Section 2 - Quarterly Production Information	Section 5 - End-of-Year Reporting
Section 3 - Recipient Facility Information	Section 6 - HFC-23 Emissions

Section 1 - Facility Identification

Instructions: Complete the following facility information.

Facility Name:	
AIMRS Facility ID:	
Reporting Year:	
Reporting Quarter:	

Were HFCs produced during the reporting period?	
Were any produced HFCs shipped off-site during the reporting period to a second party for transformation, destruction, or process agent use?	
Did the facility produce HFC-23 during the reporting year?	

Section 2 - Production Data

Instructions: Enter the quantity of each HFC that was produced during the quarter. If no HFCs were produced, enter 0. Verification from each facility for whom HFCs were produced must be provided along with this report.

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 35084.31). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The estimated burden for this collection of information is estimated to be 38 hours per response. Send comments on this collection of information, including suggestions for reducing the burden, to Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the collection of information to this address.

EPA Form # 5900-546

11 et seq. (OMB Control No. 2060-XXXX). Responses to this collection of information are mandatory (40 CFR 101.11.1) unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, reviewing and revising the information, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing the burden, to Washington Headquarters Office of Management and Budget, Paperwork Project Director, Regulatory Support Division, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, DC 20460. Send all comments to this address.
