

American Innovation and Manufacturing Act - Petition to Import for Transformation

Worksheet Instructions:

If your company intends to import HFCs for use in a process resulting in transformation or destruction, complete it to EPA through EPA's electronic Greenhouse Gas Reporting Tool (e-GGRT) at least 30 days before the shipment. Sections 1-3 and 5 must be completed prior to submission. Section 4 must also be completed if your company or company hold the imported HFCs prior to their destruction or transformation; if not, Section 4 may be left blank.

EPA may request additional information or ask follow up questions to verify the accuracy of this submission and including pursuant to CAA section 114 as authorized under the AIM Act.
