Contact Name	Contact Email

Is the company a woman or minority owned business. §84.15(d)(2)(ii)	Date of Incorporation §84.15(d)(2)(iv)

How many allowances is your company requesting (in metric tons of exchange)?  
For a calculator to convert kilograms of HFCs to MTEVe, please visit <<https://www.e>

### Section 3b - Plan for Importing HFCs

Instructions: Provide the following information detailing the company's plan for importing HFCs.

Instructions: Describe what equipment and facilities the company has or needs to import HFCs.

--

Does the company currently sell HFCs or other industrial gases?
Does the company have any past experience importing HFCs?
If yes, has the company reported prior to the Reporting Program?

If you responded yes to either question above, describe your experience.

--

Will the company be working with a customs broker?

If yes, which brokerage firm?

Provide contact information for the broker

Instructions: Indicate the month(s) in which the company intends to import HF

**Instructions: Identify the prospective foreign exporter that the applicant anticipates will export the product to the United States. Provide the name of the prospective foreign exporter that the timeline for imports is accurate and achievable. §84.15(d)(2)(i)**

--

**Does your submission include supporting documentation from the foreign exporter certifying that the timeline for imports is accurate and achievable?**

### Section 3c - Certifications

**Instructions: Provide a letter from a responsible official, defined as an individual with the authority and responsibility to act on behalf of the company, certifying the following information:**

The company intends to import HFCs in calendar years 2022 and 2023.

Certification that I and/or my company do not share corporate or common ownership, control, or family relationships with entities receiving allowances through the rule entitled Establishing the Allowance Allocation and Trading Program under the American Innovation and Incentives Act of 2021.

The company has read the HFC Allocation final rule, available by visiting <https://www.ecfr.gov/current/title-40/chapter-I/subchapter-C/part-84/subpart-B/section-84.15> and understands the following sections of the new HFC Allocation regulation:

- 40 CFR 84.5 Prohibitions relating to regulated substances.
- 40 CFR 84.15 Set-aside of application-specific allowances, production allowances, and transfers of allowances.
- 40 CFR 84.19 Transfers of allowances.
- 40 CFR 84.23 Certification identification generation and tracking.
- 40 CFR 84.31(a), (c), (h), and (k) Recordkeeping and reporting.
- 40 CFR 84.33 Auditing of recordkeeping and reporting.
- 40 CFR 84.35 Administrative consequences.

The company will meet all applicable U.S. Department of Transportation (DOT) standards for the use of the product. The product used by the company will be compliant with the DOT standards found at CFR Title 49.

The company will pay any duties consistent with U.S. Customs and Border Protection requirements.

The company will comply with all EPA requirements, including those established under the Clean Air Act regarding greenhouse gas reporting requirements. §84.15(d)(2)(viii)

The information submitted in this form is complete, accurate, and truthful. §84.15(d)(2)(ix)
