This process will incorporate input from federal agencies, environmental organizations, Alaska Native Tribes, organizations, and corporations, numerous State of Alaska agencies and the affected communities along the North Slope.

Additional opportunities for public participation, including public meetings, will be available upon publication of the draft SEIS. The BLM will continue to consult with potentially affected Federally recognized Tribes on a government-to-government basis in accordance with Executive Order 13175, and with affected Alaska Native corporations under the Department's Policy on Consultation with Alaska Native Claims Settlement Act Corporations (Aug. 10, 2012). We respectfully request participation in consultation by these Alaska Native entities to receive their views and recommendations on the Willow MDP.
