Leadership Development - Change Request Form

This form must be completed by credit unions requesting a change in the project or training topic for the 2017 Leadership Development grant.

NCUA will not consider approving reimbursement for any topics or projects not listed in the approved grant application. If a change to the approved project/training topics is needed, complete this form and submit it to CUREAPPS@ncua.gov. The email subject line should be “Leadership Development Change Request” and include the grant commitment number of the award.

NCUA will respond to the change request by email. All change requests require approval in writing.
