PART I B: PROJECT NARRATIVE

Part I B consists of 6 questions. A text field is provided to answer each question individually. You may cut and paste the answer into the form from another document, but must limit your response to the allotted space.

Note: You may include "human interest" stories or other anecdotal information about the project within the narrative as appropriate. On occasion you may be contacted for copies of programs, reviews, relevant news clippings, playbills, or other evidence of your accomplishments, including evidence of your acknowledgement of Arts Endowment support. Feel free to include Web links.

Refer to the Reporting Requirements document or, if a cooperative agreement, refer to your award document to determine if you must submit a **final product** in addition to your FDR and Federal Financial Report.

- 1) What activities did the award support and what did the project accomplish during the period of support? Also elaborate on your use of the strategies identified in **Part I A** above.
- 2) Were you able to carry out the approved project activities? If not, please explain.
- 3) Discuss the extent to which you achieved the **Livability** primary outcome. Describe specific tools used to measure outcome achievement.
- 4) Tell us which sectors of your community were involved in this project (e.g., public, commercial, nonprofit, community, and/or arts sectors), and how. If you had organizational partners (see **Part II D**), please describe the nature of those partnerships.
- 5) Discuss anticipated long-term impacts that may not have been measurable within the period of support (e.g., changes in migration patterns; job and/or revenue growth for the community; and growth in overall levels of social and civic engagement). Please be as specific as possible.
- 6) Discuss any actual or expected changes in policies, laws, and/or regulations that could strengthen communities through the arts as a result of your project.
