Connect: Bring together communities, people, places, and economic opportunity via physical spaces or new relationships. Project examples include a temporary public art project that brings diverse members of a community together in its development; arts festivals or performances intended to build familiarity and relationships among a community's residents; and/or the design of public spaces that bridge physically and socially isolated neighborhoods.

PROJECT NARRATIVE: In this section, please respond to each narrative question in the text fields provided below. You may cut and paste the answer into the form from another document, but please limit your response to the posted character limits. As you exit each text field, it will expand to show your entered text.

Please include "human interest" stories or other anecdotal information about the project within the narrative as appropriate. On occasion you may be contacted for copies of programs, reviews, relevant news clippings, playbills, or other evidence of your accomplishments, including evidence of your acknowledgement of Arts Endowment support. Feel free to include relevant web links.

- 1. Were you able to carry out ALL approved project activities? (Yes/No check box) Describe the activities supported by this award. Please report solely on activities funded by the National Endowment for the Arts and the project match reported on your Federal Financial Report. These activities must be consistent with your application narrative, the approved project budget, and any approved grant amendments. (3,000 character limit)
- 2. What did this project accomplish and who benefited? List and describe key accomplishments of this project. Please include any direct and indirect benefits/impacts that resulted from this grant. Where possible, identify beneficiaries of the project (e.g., types of individuals, organizations, disciplines/fields, or communities). Include in your response a discussion of the actual or anticipated impacts of your project's activities on the target community's economic, physical, and/or social environments. Cite any evidence and describe specific tools and/or methods used to measure outcomes. (3,000 character limit)
- 3. After your Our Town project, will the project and/or partnerships be sustained and, if so, how? Is there evidence that the model established by your Our Town project will be replicated by others or scaled within your community? Is there evidence that this way of working with arts and culture to strengthen your community will be sustained over the long term? (2,000 character limit)
- A. Did the project encounter any events and/or circumstances that impeded your ability to conduct the project as planned? (Yes/No check box)
 B. If yes, then please describe the nature of the challenge(s) and how you addressed them. (2,000 character limit)
- 5. Please complete the following tables regarding the involvement of key partners, funders (besides the Arts Endowment), key artists, and other key individuals (e.g., mayor, resident leader, business leader). (Actual tables with project narrative question #6.)

PART IIA: PROJECT ACTIVITY

Provide data for activities supported with this award (NEA and cost share funding) during the period of performance. Indicate the number of activities delivered. Leave blank any items that are not applicable or for which actual figures/supportable estimates do not exist.

Project Activity		
Number of Professional Original Works of Art Created • Do not include student works, adaptations, re-creations, or restaging of existing works.		
 Number of Fairs/Festivals Held Report media arts and film festivals in the Exhibitions field below, not here. Do not break out fair/festival activities (performances, etc.) in other project activity fields. 		
 Number of Exhibitions Curated/Presented Include visual arts, media arts, design, and film festivals. Count each curated film series as a single exhibition. An exhibition staged multiple times should be counted as one exhibition. 		
Number of Concerts/Performances/Readings		
 Number of Arts Instruction Activities Include classes, demonstrations, lectures, and other means used to teach knowledge of and/or skills in the arts. A class taught over multiple sessions should be counted as one class. A class repeated for multiple audiences should be counted peraudience. 		
Number of Hours Artists Were in Residence		
 Count hours of scheduled community/classroom engagement conducted by an artist or group of artists. Do not multiply the number of hours by each groupmember. 		
 Number of Plans or Products Developed and Approved that Support Cultural Planning Include cultural plans, plans for arts/cultural districts, creative asset maps, and plans for public art. 		
 Number of Design Plans Produced Include design plans for artist space, cultural facilities, and public space, and plans facilitated by an artist/designer. 		
Number of Works of Art Installed or Performed in Public Spaces • Include works of art permanently or temporarily installed in a public space.		
 Number of Works of Art Produced as Result of Community Collaboration Include works of art produced through the process of engaging stakeholders to participate or collaborate alongside artists/designers in conceiving, designing, or fabricating a work of art. 		
Number of Programs or Services that Supported Artist and Creative Industries Include programs or services that supported creative industries, cultivated strong infrastructure for supporting creative industries, and/or supported artists professionally, such as through skill development or accessing markets/capital.		

PART IIB: INDIVIDUALS BENEFITED

Provide data for individuals who directly benefited during the period of performance. Leave blank any items that are not applicable or for which actual figures/supportable estimates do not exist.

Individuals Compensated from the Project Budget Enter the number of individuals who were paid, in whole or in part, with project funds (both the NEA and the cost share) reported on your Federal Financial Report.	<u>A</u> Number of individuals	B Of the number reported in column A, how many were hired (as employees, not contractors) by your organization during the project period as a result of this award?
Artists		
Others (includes employees, temporary staff, and contractors who did not work as artists on this project)		
Total		

"In-Person" Arts Experience		
Enter the number of people that directly engaged with the arts, whether through attendance at arts events or participation in arts learning or other types of activities that involved people directly interacting with artists or the arts. Do not count individuals who were primarily reached through television, radio, the Internet, or other media. Avoid inflated numbers, and do not double-count repeat attendees.	a. Adults	
	b. Children/Youth	
	c. Total	

Virtual Arts Experience	Total Number of Unique Visitors
If your project used online or mobile components to engage audiences (e.g., podcasts, live web streaming, mobile applications, online videos/audio/games, e-book or e-reader downloads, distance learning, internet-based artworks, online collections/ exhibitions, etc.), then please enter an estimate of the total number of unique visitors who accessed these components during the grant period. Do not include people who visited a website for unrelated content.	

If your project used online or mobile components to engage audiences, then please select the "type" that best describes the form of technology used. (Select all that apply.)
