

1. What activities did the award support and what did the project accomplish during the period of performance? (3,000 character limit)

2. Were you able to carry out ALL approved project activities? If not, please explain. (3,000 character limit)

3. Who were the key artists and partnering organizations, and what was the nature of their involvement?
(3,000 character limit)

4. Discuss the extent to which you achieved the NEA primary outcome identified in your application (Creation, Engagement, Learning, or Understanding). We recognize that some projects involve risk, and we want to hear about what you've learned both from your successes and failures.
(3,000 character limit)

5. Beyond the project's direct accomplishments, what was the impact on - or benefit to - your organization, your discipline/field, and/or your community? (3,000 character limit)

PART IIA: PROJECT ACTIVITY

Provide data for activities supported with this award (NEA and matching funds) during the period of performance. Indicate the number of activities delivered. Leave blank any items that are not applicable or for which actual figures/supportable estimates do not exist.

Project Activity	Number
Number of Professional Original Works of Art Created <ul style="list-style-type: none"> Do not include student works, adaptations, re-creations, or restaging of existing works. 	
Number of Fairs/Festivals Held <ul style="list-style-type: none"> Report media arts and film festivals in the Exhibitions field below, not here. Do not break out fair/festival activities (performances, etc.) in other project activity fields. 	
Number of Exhibitions Curated/Presented <ul style="list-style-type: none"> Include visual arts, media arts, design, and film festivals. Count each curated film series as a single exhibition. An exhibition staged multiple times should be counted as one exhibition. 	
Number of Concerts/Performances/Readings	
Number of Arts Instruction Activities <ul style="list-style-type: none"> Include classes, demonstrations, lectures, and other means used to teach knowledge of and/or skills in the arts. A class taught over multiple sessions should be counted as one class. A class repeated for multiple audiences should be counted per audience. 	

PART IIB: INDIVIDUALS BENEFITTED

	G - No single underserved/distinct group made up more than 25% of the population directly benefited

PART III: GEOGRAPHIC LOCATION OF PROJECT ACTIVITY

For your Final Descriptive Report to be complete, you **must** report the locations of specific project activity using the Geographic Location of Project activity online reporting tool at <https://apps.nea.gov/GEO/Default.aspx>.

PAPERWORK REDUCTION ACT STATEMENT

The public reporting burden for this collection of information is estimated at an average of one hour per response. This includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. We welcome any suggestions that you might have on improving the guidelines and making them as easy to use as possible. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: webmgr@arts.gov, Attention: Reporting Burden. Note: Applicants/awardees are not required to respond to the collection of information unless it displays a currently valid U.S. Office of Management and Budget (OMB) control number.
