

Instructions for FSA-1123

CERTIFICATION OF 2020 ADJUSTED GROSS INCOME (AGI)

Customers use this form to certify compliance with the \$900,000 Adjusted Gross Income (AGI) limitation, based upon such customer's income reported to IRS for 2020. Data collected includes contact information, producer's certification of 2020 AGI and affirmation from a licensed Certified Public Accountant or attorney. In lieu of a signature from a CPA or attorney, the CPA or attorney may also submit a written statement acceptable to FSA. Submit the original of the completed form by mail, email, Box¹, OneSpan², or facsimile to the appropriate FSA servicing office identified in Item 2.

Customers who have established electronic access credentials with USDA may electronically transmit this form to the USDA servicing office, provided that:

- (1) the customer submitting the form is the only person required to sign the document,
- (2) the person signing the document on behalf of another customer has a valid Power of Attorney (Form FSA-211) on file with USDA to sign for the customer.
- (3) the person signing the document on behalf of a legal entity is an authorized representative of the legal entity.
- (4) if the person identified in Item 3 is deceased, the document must be signed by a legally authorized representative of the deceased person.

Features for submitting the form electronically are available to those customers with access credentials only. If you would like to establish online access credentials with USDA, follow the instructions provided at the USDA eForms web site.

Customers must complete Items 2 through 8. Licensed CPA or Attorney must complete 9 through 12.

Box is a secure, cloud-based site where FSA documents can be managed and shared. Applicants who choose to use Box can create a username and password to access their secure Box account, where documents can be downloaded, printed, manually signed, scanned, uploaded, and shared digitally with FSA county office staff. This service is available to any FSA customer with access to a mobile device or computer with printer connectivity. Box does not require software downloads or an eAuthentication account.

² OneSpan is a secure eSignature solution for FSA customers. No software downloads or eAuthentication is required for OneSpan. Applicants interested in eSignature through OneSpan can confirm their identity through two-factor authentication (2FA). For the second factor of authentication, applicants can use a text message with verification code sent to their mobile device or a personalized question and answer. Once identity is confirmed, documents can be reviewed and e-signed through OneSpan via the applicant’s personal email address and, once signed, immediately become available to the appropriate FSA county office staff.
