# **Instructions For FSA-2014**

## Verification of Income

The form is used to verify the applicant's income to make feasibility determinations on the applicant's request for assistance.

Submit the original of the completed form in hard copy or facsimile to the appropriate USDA servicing office. Customers who have established electronic access credentials with USDA may electronically transmit this form to the USDA servicing office, <u>provided</u> that the customer submitting the form is the only person required to sign the transaction.

Features for transmitting the form electronically are available to those customers with access credentials only. If you would like to establish online access credentials with USDA, follow the instructions provided at the USDA eForms web site.

FSA completes Part A.

Employer completes Parts B and D and forwards the form directly to the office identified in Part A, item 2.

Other information provider completes Parts C and D and forwards the form directly to the office identified in Part A, Item 2.
