

Application for Term Grazing Permit
 (Reference FSM 2230 and FSH 2209.13)

NOTE: The information requested on this form is voluntary; however, all the data requested is necessary if you wish to be considered as a qualified applicant for a grazing permit. The data is requested under authority of 5 USC 301, 36 CFR 222.3.

Section A (To be completed by Applicant)

I, _____ of _____
 (Name of Applicant) (Mailing Address including Zip Code)

do hereby apply for a permit to graze livestock on National Forest System lands or other lands under Forest Service control as follows:

LIVESTOCK			PERIOD OF USE		GRAZING ALLOTMENT
Number	Kind	Class	From	To	

It is fully understood and agreed that a grazing permit, if issued and accepted pursuant to this application, may be cancelled or suspended, in whole or in part for: (a) failure to comply with the terms and conditions in the grazing permit, regulations of the Secretary of Agriculture on which the permit is based, or annual operating or other instructions of Authorized Officers issued pursuant to the permit; (b) knowingly and willfully making a false statement or representation in this application; (c) conviction for failure to comply with Federal laws or regulations or State and local laws relating to livestock control and to protection of air, water, soil and vegetation, fish and wildlife, and other environmental values when exercising the grazing use authorized by the permit; (d) to devote the affected National Forest System lands to another public purpose, including disposal; or (e) because the National Forest System lands or other lands under Forest Service control described in the permit are no longer available for grazing.

It is also fully understood and agreed that a grazing permit, if issued pursuant to this application, may be modified to conform to current situations brought about by changes in law, regulations, executive orders, allotment management plans, land management planning, or other management needs. A permit issued pursuant to this application may also be modified because of resource conditions or permittee request.

The following statements and representations constitute a part of this application for a term grazing permit.
