OMB No. 0596-0010

Approval Expires *date*

Type of Roundwood Processed

Check the type of roundwood processed at the mill. (Roundwood is any log, bolt, or other round section cut from trees of any size, including chips from roundwood and whole tree chips). Do not include any unprocessed logs that were sold to other mills or log buyers/brokers. Do not include any mill residues used from wood using mills in this section.

Please fill out a separate form for each type checked.

- | | | |
|--|---|---|
| <input type="checkbox"/> Sawlogs and bolts | <input type="checkbox"/> Poles | <input type="checkbox"/> Other (specify. Example: Excelsior/shavigs): _____ |
| <input type="checkbox"/> Cabin logs | <input type="checkbox"/> Posts | |
| <input type="checkbox"/> Pilings | <input type="checkbox"/> Logs exported out of the United States | |

Mill type:

(Check only the primary head rig or mill type for the type of roundwood processed)

- | | | |
|---|--|---|
| <input type="checkbox"/> Band sawmill | <input type="checkbox"/> Export logs | <input type="checkbox"/> Untreated post, pole, or piling mill |
| <input type="checkbox"/> Circular sawmill | <input type="checkbox"/> Handle mill | <input type="checkbox"/> Treated post, pole, or piling mill |
| <input type="checkbox"/> Chip-n-saw | <input type="checkbox"/> Tight cooperage | <input type="checkbox"/> Mine timbers |
| <input type="checkbox"/> Gang sawmill | <input type="checkbox"/> Slack cooperage | <input type="checkbox"/> Shingles mill |
| <input type="checkbox"/> Scragg sawmill | <input type="checkbox"/> Cabin log mill | <input type="checkbox"/> Other: (Specify) _____ |
| <input type="checkbox"/> Portable band | <input type="checkbox"/> Excelsior/shavings mill | |

Primary product produced for this type of roundwood processed. Enter a percent of the total production for each type of primary product produced at the mill. Total should equal 100%.
Example: 50% Rough lumber, 30% Pallets/pallet lumber, 20% Landscape timbers.

Mill receipts

Please fill out a separate form for each type of roundwood processed. (Do not include logs/ bolts sold or transferred to another primary processor). Do not include any mill residues used from wood using mills in this section.

How much roundwood did you receive in year for this **type of roundwood**? _____

Check the box for the unit of measure below.

- | | | |
|--|--|---|
| <input type="checkbox"/> Doyle MBF | <input type="checkbox"/> Lumber tally MBF | <input type="checkbox"/> Pieces |
| <input type="checkbox"/> Doyle board feet | <input type="checkbox"/> Lumber tally board feet | <input type="checkbox"/> M(1,000) pieces |
| <input type="checkbox"/> Scribner MBF | <input type="checkbox"/> Standard cord (4'X4'X8') | <input type="checkbox"/> Other (specify): _____ |
| <input type="checkbox"/> Scribner board feet | <input type="checkbox"/> Lake States cord (4'X4'X100") | |
| <input type="checkbox"/> International 1/4-inch MBF | <input type="checkbox"/> Green tons | |
| <input type="checkbox"/> International 1/4-inch board feet | | |

Where did the roundwood you received in year come from?

(enter the percent for where the roundwood came from). If you know the counties that the roundwood came from, please also check the counties on the map on the next page. Percents should sum to 100%.

County where mill is located % Rest of State %

Other States or Countries (List below, please use state abbreviation)

State	Percent	State	Percent	State	Percent
<input type="text"/> <input type="text"/>	<input type="text"/> <input type="text"/> <input type="text"/> %	<input type="text"/> <input type="text"/>	<input type="text"/> <input type="text"/> <input type="text"/> %	<input type="text"/> <input type="text"/>	<input type="text"/> <input type="text"/> <input type="text"/> %

What is your normal one-way procurement radius? miles.

Do you process any logs from cities or towns (urban areas) at your mill? YES NO

What percent of the total roundwood received was urban wood in year? %

What percent of the total roundwood received was from salvaged dead trees from forested areas? %

Please estimate the percent of each species received (the total should equal 100%).

NOTES - Use the 'NOTES' section to record any information about the mill that may be helpful or out of the ordinary for the mill. Also, please use the Notes sections to comment on any questions/sections that needed more instructions or were confusing, or if you have any suggestions on improving this questionnaire.

Thank you for participating in this survey!

Please return the questionnaire in the postage-paid envelope provided.
