MEMORANDUM FOR OFFICE OF THE UNDERSECRETARY OF DEFENSE,
PERSONNEL AND READINESS, DIRECTOR,
MANAGEMENT SUPPORT OFFICE

SUBJECT: Justification for the Use of Social Security Numbers in the Problematic Sexual Behavior in Children and Youth Information System, DPR 50 - Approval

Thank you for completing a review of Social Security Number (SSN) use within this system. The Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD) has reviewed and approved your request to use the SSN for the following Acceptable Use(s): (8) Computer Matching and (11) Legacy System Interface.

An approval of SSN use is granted through September 30, 2022, to support plans to compare data from this system of records with Military Criminal Investigative Organizations (MCIOs) data on open investigations, provided legislative authorization to do so is obtained. The SSN requirement for this system of records originates from the anticipated need to use the SSN as the key to match the children's records in this system against the MCIO records, which use the SSN of the children as the main identifiers.

While this system has been identified as requiring the collection, maintenance and use of the SSN, you must ensure this data is afforded the highest protections practicable through use of appropriate administrative, technical and physical safeguards. Please maintain a copy of your justification and this approval in your records.

The reference number for this approval is listed at the top of this memorandum.

If you have any questions, please contact Ms. Viki Halabuk in this office at viki.l.halabuk.civ@mail.mil.
